A Festival of Comedy

Ball State Summer Theatre offers a new departure in its 1973 season. Three companies will be formed for the presentation of five productions:

A Musical Theatre Company will present two musicals, ***Canterbury Tales*** and ***Celebration.*** Auditions for this company will be held May 14th and 15th in Theatre-008.

A Shakespearean Company will present ***Twelfth Night.*** Auditions are to be held June 7th in Theatre 100.

A Repertory Company will be formed to present Oscar Wilde's ***The Importance of Being Earnest*** and John Guare's ***The House of Blue Leaves*** in alternating performances. Auditions for this company will take place June 11th and 12th in the Theatre.

Participation in all three companies is open by audition to any and all members of the community, Ball State students and staff, and area high school students who can meet the various rehearsal schedules. We encourage you to participate in this exciting new approach to production in Muncie's only Summer Theatre.

What is MIGUEL?

"Mt. Miguel we sing to thee." No we never sing to you. We don't even talk to you. *We come to you and you feed our minds.* You house us, inform us, and challenge us. You guide our clothing tastes and shape our political views. *You have introduced us to our friends and to ourselves.* We could deny our obligation to you and battle the influence you have on us, but not without playing the hyocrite, because you will remain with us.

Often when apathy tempts us to forget, we are later reminded of our debts to you. *We have competed for you and won for you.* But what do we leave you? A worthless bit of shiny metal in a dusty cupboard? A name in the book? A footprint in the hall? And yet you give us so much more. A direction. An opinion. A goal.

You're really nothing but a building. An ordered assemblage of wood and stone which has a given name. Yet so much more. You are us, and we are you. *It is the people who give you your personality and character.* When honor is given to you, we have worked to get it. When your name is in the loss column, we are the ones who have lost. If dissension racks your halls, it is because we are the ones who have chosen to fight. And if you're labled as a proud institution, it is because we are the ones who hold our heads high. No matter how much anyone tries, *no one will ever be able to erase your influence from our lives.*

Dear Debbie,
I'm really glad that we got to draw in choir. This year is the last year ~~choir~~ I will be lots of fun in the band meeting next year. Have a nice summer and I'll see you in the fall. Keep in touch!

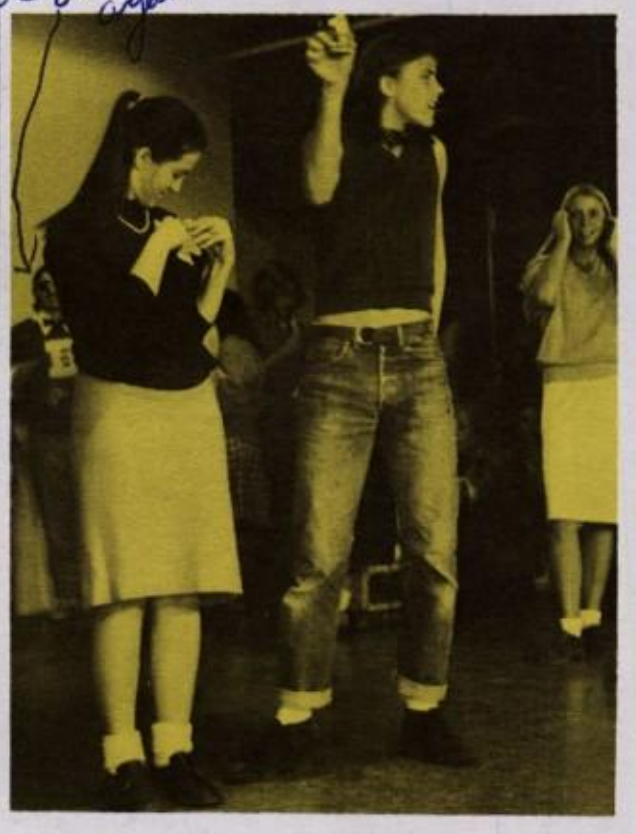
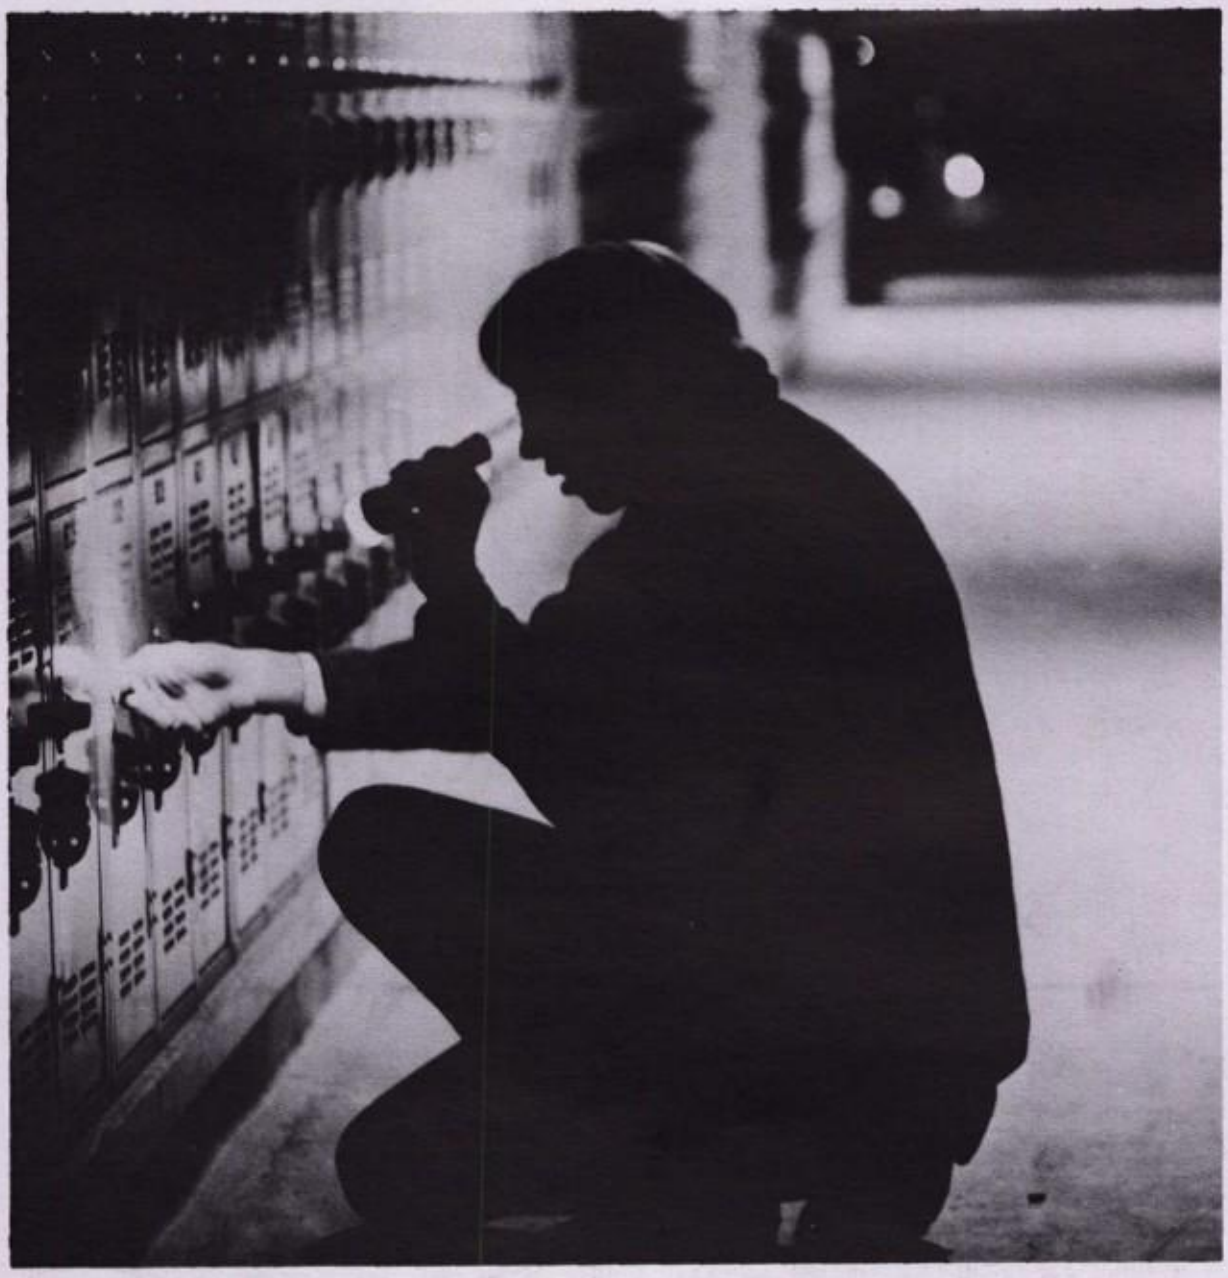
Student Life Requires Involvement, Enthusiasm

Student Life at Miguel, as in any school, is the pulsebeat of activity, both scholastic and social. Student involvement is the key to a healthy student action program. Kicking off the year was a school-wide symposium on human relations. Many students made some important discoveries about themselves and others during these sessions. Early September Programming has given students more control of their scholastic destiny, resulting in greater student satisfaction. An undefeated football team boosted student spirit to a peak during the fall semester. A new student store on campus, co-ed P.E., and more electives of relevance all contributed to a healthy pulse for Student Life throughout '73-'74.

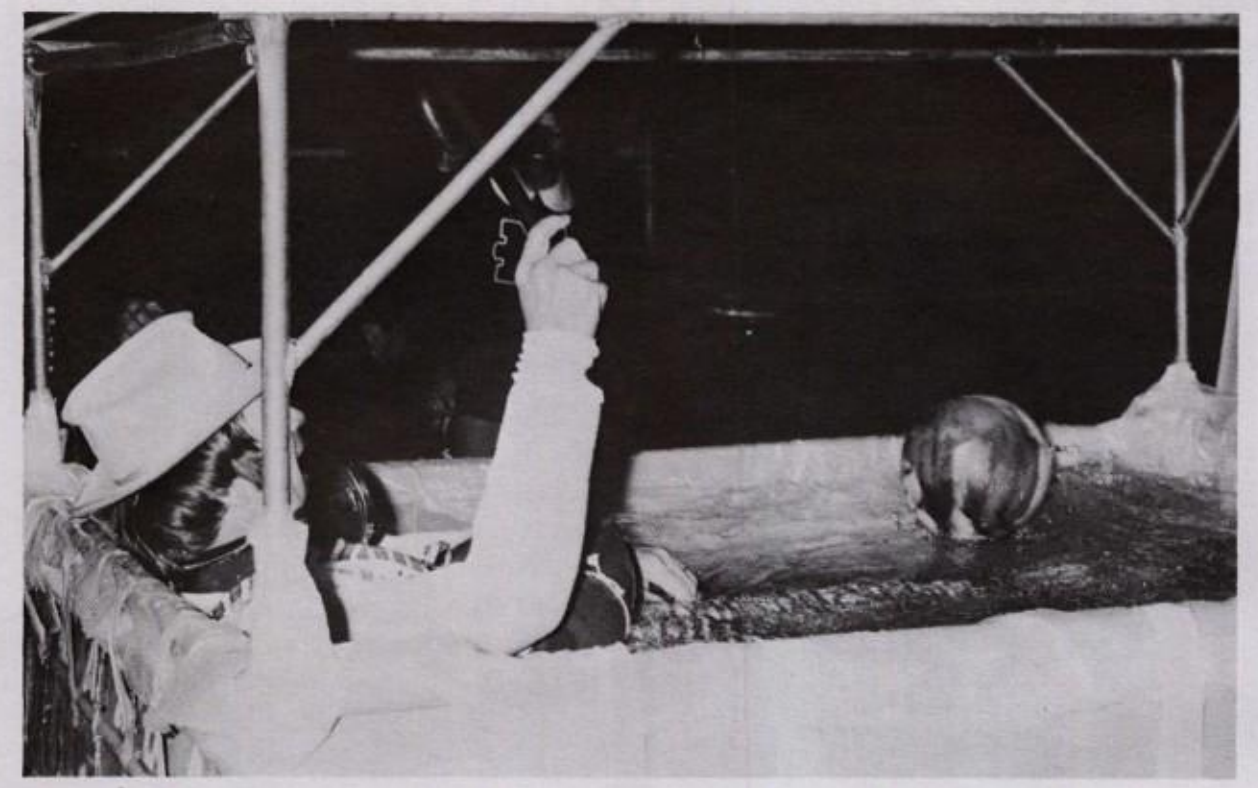


Energy Crisis Changes Life — Styles, Classes, Starting Time

Conservation of energy became a way of life on campus as the nation's energy crisis became a fact of life. Most affected by the conservation measures were field trips. In many cases, planned trips had to be canceled. In other cases, a shift in time resulted according to the availability of fuel. On campus, awareness of electric use resulted in reduction of light burning. Thermostats were turned down, and curtailment of unnecessary outside night lighting was noticeable to students arriving at school before daybreak. Daylight saving time imposed darkness on first period physical education classes and auto shop for those scheduled to work out of doors. Moving the starting bell for the day from 7:00 a.m. to 7:30 in January alleviated some of the inconvenience. "All planning both present and future is affected by concern for conservation," stated Dr. Robert Pyle, principal.



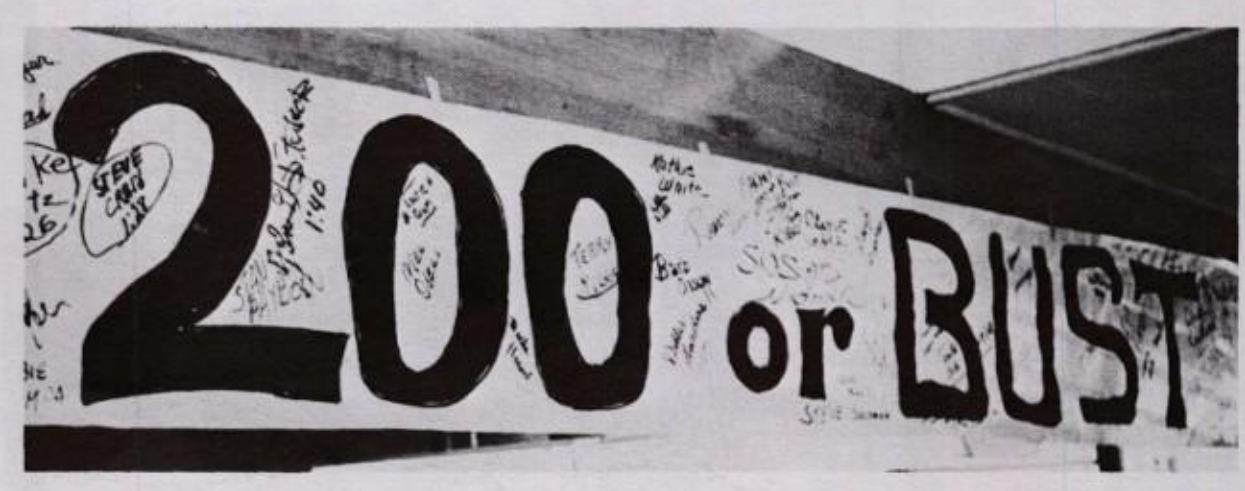
(Above) Pre-dawn classes meant finding classrooms in the dark. Students found a completely different campus when they returned to school on January seventh, after daylight saving time went into effect. *(Left)* Reduced lighting made opening locker combinations difficult. Here an ingenious Senior Don Clay, found a flashlight helpful. *(Top)* These two clocks represent the starting time change necessitated at Mt. Miguel by the advent of energy saving time.



Pool-A-Thon—Start of a Dream—End-M.C.A.C.

A hugh splash was seen as the school year opened, setting waves in motion that one day will result in a long-cherished dream come true. A recreational complex including a community swimming pool with lighted basketball, handball, and tennis courts was pure fantasy until this year when significant strides were made towards the realization of this $200,000 dream. A committee, under the leadership of Mr. Bill White as president and Mr. Bob Sanders as fund raising chairman, initiated action with a Pinto raffle and a Pool-a-Thon swim-in. By the end of first semester, $10,000 had been raised for the construction of the Miguel Community Aquatic Center.

(Top) Coach Ned Blass encouraged students to contribute to the Pool-A-Thon campaign during halftime of Homecoming game by promising to "go swimming" if enough money was tossed out of the stands. *(Top Right)* Mr. Robert Sanders was the man behind the scenes contributing not only money, but also many hours of planning necessary to the creation of a successful money-raising campaign. *(Above Right)* One "gimmick" used to raise money was the Pinto Raffle. Each raffle ticket, sold at $1.00 each, was worth one chance to win an olive green 1974 Pinto Runabout. The lucky winner shown here was Larry Shunk. *(Right)* Every swimmer who completed the maximum 200 laps in the two hour time limit earned the right to sign his or her name to the "200 or Bust" poster displayed in the main office.



ROTC Trains Students for Military

R.O.T.C. with Col. Donald Grey as Dept. head, has a program of instruction that engulfs 173 hours divided into four training levels, Military One through Four. All four groups receive drill and leadership training, physical education, and instruction on basic military skills, with emphasis on leadership development. Mt. Miguel's R.O.T.C. unit was disignated an honor unit with distinction for the year 1973—1974. As a result, Col. Grey nominated their top graduate Mark Wynn for an appointment to U.S. Military Academy West Point. This appointment was confirmed, and Mark Wynn will attend West Point.

Cape Corp Marches With Fine Pride, Pomp, Spirit

There's a first time for everything, and the Cape Corps had an abundance of firsts this season taking first place at the year's competition, that being the Fallbrook competition. The Corps also took Sweepstakes marching in the Autumn Band Review. To further the theme of first this year was Jeanne Ledbetter's first in advising Mount Miguel's Cape Corps. Consistent practice for several hours every day resulted in a Cape Corps that was the best in Mount Miguel's history. The girls marched in competition on nearly every Saturday in addition to appearing in the half-time shows at home games during the football season.

Creative Minds, Bodies Equals Drama Success

Under the expert direction of Mr. John Adams, and the valuable assistance of Alumni T.A. Ted Adams, the Drama Department sought to broaden its horizons and reach new goals. For the first time the Department tried a new form, the "reader's theater," and enjoyed success with it. Another first for drama was their trip to San Diego State to perform in front of other readers. Everyone agreed that the Mount Miguel Dept. was the best representation there. The major productions in drama this year were *Kaleidoscope*, *Harvey*, and, with the help of Ted Adams, *You're a Good Man Charlie Brown*, Mount Miguel's first musical comedy since *South Pacific* in 1962.

Thespians Create Magic, Suspense, Reality

Thespians are part of a national organization for high school students that perform in drama and is concerned with improving the performance and professionalism of theatre on that level. Thespian headquarters are in Ohio and they help Mt. Miguel's club by giving scripts, reducing royalties, and sending materials concerning theatre, lighting instructions, producing a play, selection of plays, etc. 100 hours of extra-curricular work dealing with drama is the minimum requirement that must be met before becoming a member of the club. Thespian's president was Melody O'Dell, vice-president was Rosalyn Saputo, secretary was Debbie Recchia, and historian was Cathy Liljestrom. Putting on drama productions for the school is the major activity of the club. Some of the extra work involved is ushering for various theatres in town, and in exchange for that service, they are allowed to watch the plays. This provides an excellent opportunity to compare themselves with professional performers.

Individualized Competion Challenges Speechmakers

Mt. Miguel's speech team, taught by Myrna Goodwin, competed at speech tournaments on college and high school campuses beginning in October and ending in May when the State finals were held at Fresno State University. Outstanding members on this year's speech team were Mark Dzarnoski, Carolyn Budd, Jerry Williams, Melody O'Dell, Bob Martin, Steve Thomas and Melissa Monce. Mt. Miguel's team was honored this year by being selected as the sponsor and host of the National Qualifying Student Congress which is a mock legislative assembly for schools in Southern California. Mt. Miguel's team also had students participating in the National Forensic League.

This float illustrated the dance marathon so popular in the fifties. The Choir Float came in first, but judging must have been close. The sophomore float came in second.

Homecoming Displays Early Rock Era

Homecoming 1974 filled the week of November 5 through 9 with more than the usual excitement. Miguel had an undefeated football team in the Grossmont League! Theme for the week was "The Fifties." A revival of the early days of rock and roll were seen in evidence on campus. Preparation of floats, a dance contest, and the Homecoming Assembly were all part of the package. Friday night saw Cathy Liljestrom crowned Queen of Homecoming following a parade of antique cars and floats reflecting the era of the 50's. Grand climax of the week came as the Matadors merged victorious in the game against El Cajon with a score of 28-0. Miguel's sixteenth Homecoming was a success!

(Top Left) Debbie Swanson stands with escort Ed Herrera and attendant Karen Gregg. *(Top Right)* Choir members depict Elvis Presley, fans, and the era of the '50's, winning first place in the judging of the floats. *(Middle)* Debbie Norman with escort Charles Franches and Attendant Rosalyn Saputo. *(Left)* Cathy Arrasmith with Escort Mike Cormier and Attendant Marla Wise.

Varsity Cheerleaders Show Vitality Plus Enthusiasm

Besides bringing enthusiasm and spirit to every Friday night, Miguel's Varsity Cheerleaders were also involved with other activities around campus. Some worked for the upgrading of the entire school by getting involved with A.S.B. and the Human Relations Committee. Highlighting the year was their grand appearance made at the Pep rally last October in the company of J.V. cheer and Frosh Pepsters. Advisor Sue Blass organized a wrestling clinic where cheerleaders from four schools met at Mt. Miguel to exchange tips on cheering during matches. Also present were the wrestling coaches who explained the mechanics of scoring.

J.V. Cheer Illustrates Enthusiasm

J.V. Cheer was right in there this year practicing every afternoon and actively appearing every Friday installing pride and enthusiasm to spectators. The girls were as much a comfort to the team players as they were a promoter and reflector of spirit to Mt. Miguel's sports fans. There aren't many who devote so much of their spare time to a school service.

After weeks of preparation with Mrs. Barbara Hamilton in charge, Jody Cordova, one of the seven girls, was chosen head pepster. A new and different change this year was the idea of cheering during baseball season.

A.S.B. Supports, Promotes Student Activity

A.S.B. leadership was not in short supply this year. Its officers, commissioners, and a commission class all worked together for constructive gains at Mount Miguel. President Joe Lukacik served as chairman of a district-wide Executive Council meeting on Wednesday nights with representatives from all eight schools to explore common needs. Except for modifications to fit student needs, A.S.B. patterns itself after the federal form of government. Veep John Siscon presided over Student Council to handle legislative matters, making decisions of concern to the entire student body. All this action was under the guidance of Advisor Max Keyte, who this year completed four years of service in this role.

Commission Class Strives for Student Unity

Student government with its officers, commissioners, class, and council gave united effort this year to the cause of human relations. Was it a club? No! Was it an organization? No! But it definitely was a movement, a force on campus throughout this year. (See page 34.)

To further this movement, a new commission was established, that of Commissioner of Human Relations. After persistent and co-operative effort, action was taken which resulted in the long-awaited vending machines for such nutrients as soup, candy, and fruit.

A.S.B. lent a loud voice to get school starting time changed after the switch to *energy saving time*.

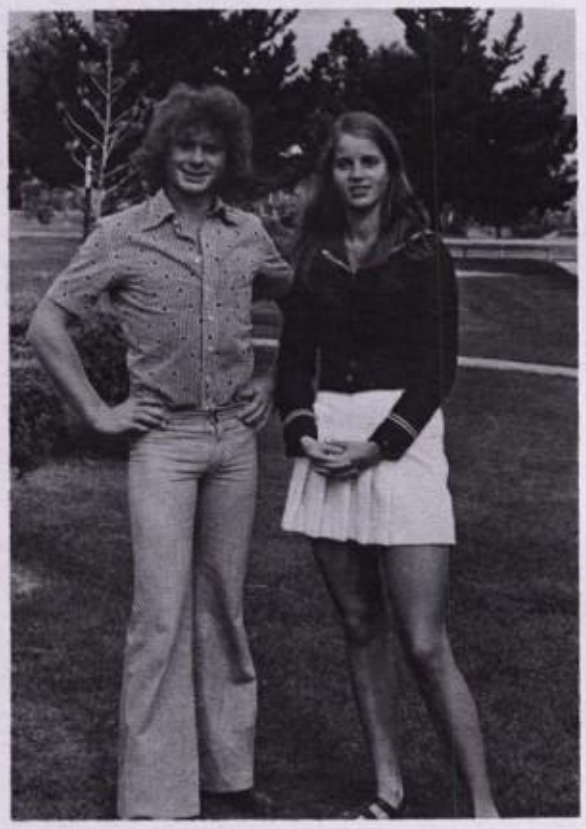
I Club Promotes International Friendship

Promoting international friendship among students is where it's at; continuing on to international friendship of countries is where it's going to. "It" is the International Club, exposing students who are not familiar with other countries to lands abroad. Planned activities were geared primarily to those such as beach parties, camping trips and outings to familiarize our exchange students with the local area. This year the club almost doubled last year's membership, with 20% of the total number being freshmen.

The reception for Pierre was held in the drama room which is very appropriate because Pierre is very active in drama and speech. *(Center Right)* Pierre Wilkner and Gunilla Lundquist often talk about their homelands, Sweden and Finland. They also talk about the United States and their school life here at Mount Miguel. They find there are many differences between their school and homelife here and their school and homelife in Sweden and Finland.

Pierre Wilkner, Mount Miguel's red-headed exchange student from Sweden, brought a touch of warm Swedish enthusiasm and sunshine here with him. His stay in America was as much a rewarding experience for us as it was for him. On this page are added a few of his words, one of many contributions he made to Miguel's daily life: "One of the things that I enjoy most in life is traveling. I was given this wonderful opportunity to travel almost half way around the world to spend a year in the United States. As soon as I came over here I understood that this would be one of the best years in my life. I was taken care of by a great family that really made me feel like a family member. Also the Mount Miguel High School the teachers and students looked after me, making sure that I don't have a dull moment. Of course, there are many differences, especially at the school, but I think I have been able to deal with them and really learn how to enjoy things the right way. I want to thank Miguel's teachers and students for the way they have taken care of me. I want to give a warm word of thanks to the I club members who have spent a lot of time and money to make this year one of my best."



Exchange Students Discover Life at Miguel Rewarding

From Finland came pretty and shy Gunilla Lundquist, exchange student. She's still pretty, but shyness fades as new acquaintances became familiar friends. Mount Miguel's year would have been unknowingly at loss but for her presence, and Finland couldn't have had a finer representative of their country. After knowing Gunilla, many people could vouch that anything made in Finland is of top quality. Her impressions and comparisons of this very different country were shared with the students of Mount Miguel: "It is very interesting to come to another country and see how people live. What I have seen of the life here is almost what I expected it to be, except that my first impression of the United States was that everything was on a larger scale. I'm used to walking to different places, but here you drive. Your school system here is a little different. In Finland we have to take more than ten subjects. Another thing is that females here don't usually wear the same clothes more than one day in a row. It is not uncommon in Finland, but it is more prevalent here that most families have pets. I have enjoyed my stay here in the United States very much because each of you have been very kind to me."

Debbie,
It's been a
nice year with
you in French class.
Sorry for a couple of days
though. I had some some
Pebbles. Have a nice summer
"Be good". Good luck with the things
you do during the year.

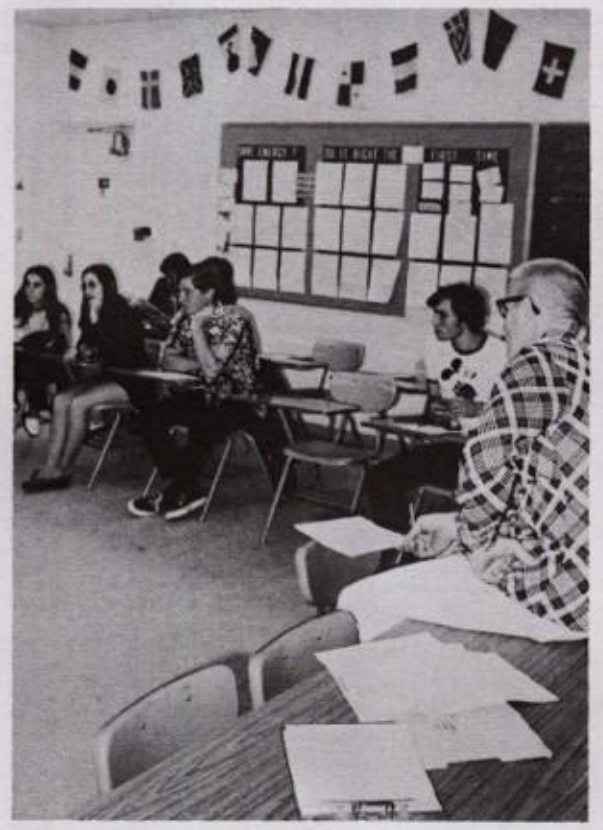
Movement Stirs Action, Interaction



Human relations became a familiar term on campus this year. A team of concerned individuals launched a movement before the opening of the school year which fired large numbers of students to action. A guest speaker and a school-wide assembly during September set the stage designed to better understanding between students, teachers, and parents. A new Commission of Human Relations was established within the student government organization.

(Top) Members of Black Awarness and Mayo Clubs held a joint meeting to plan a dance held in January. *(Above)* Dr. Robert Pyle looks ahead at rising problems of school with Commissioner of Human Relations Dina Feldman. *(Center Left)* Human Relations members discuss feeling of apathy for meetings with advisor Mr. James Finch. *(Center Right)* Black Awarness hopes to achieve better relationships between students. *(Right)* Rita LaBerge introduces Janet Rogers to Counselor Martha Cummings.

Improving student relationships begins with understanding and an awareness of racial problems. Black Awareness, a club open without limit to the entire school, had a progressing goal to establish a strong rapport between blacks and other students. Members of Black Awareness took a stronger initiative in furthering good student relations and fostering more concern over existing problems. Activities included the club's annual faculty tea, a dance, field trips and several panel discussions.

Ethnic Clubs Bring Better Relationship

MAYO means Mexican American Youth Organization. Vice-President of the club, Eddie Lermo, summarized its basic theme when he said, "We'd like to make a better name for the Mexican Americans at Mt. Miguel High School. We want to get involved in activities so we'll have an equel place here on campus." MAYO's activities included sponsoring a dance, car washes, picnics, and an assembly. Club President was Tony Zuniga, Sponsor Tio Eddie Thorne, Advisor Charles Simpson.

CSF Recognizes Outstanding Students in Academic Fields

California Scholarship Federation at Mt. Miguel, more widely known as CSF, is a statewide organization that encourages interest and pride in high standards of scholarship and makes possible further education for highly qualified students. Organization is in levels beginning with the state and ending with individual chapters. CSF, organized in 1921, was the outgrowth of an idea first proposed by Mr. and Mrs. Charles Seymour. Seymour Awards of 500 dollars each were established in 1935 and are made annually to the outstanding boy and girl in each of the five regions. These awards are part of the scholarship opportunities that include college grants and proposed foundation which will be established from outright gifts and bequests. This year Mt. Miguel helped to publicize the statewide advisory convention held at the Sheration Inn. The theme was "Can Scholarship Flourish?"

S-Club Hostesses Convention Held at Warner Hot Springs

"S" Club Advisor Maryann Mentas expressed pride concerning this year's club, and with good reason. Mount Miguel's "S" Club was the hostess club at this year's combined California, Arizona, and New Mexico convention held at Warner Hot Springs. The purpose of this club, sponsored by an organization of business women, is *SERVICE* to the school and community. Some of their projects included a canned food drive, visits to a convelescent home, and remodeling parts of the front office. Any girl is eligible to join this club.

Girls' League Hosts Annual Sweethearts Ball

Girls' League continues to serve the social needs of girls and remains among the firmly established organizations on campus. A core of about 30 active members met weekly to plan activities under the guidance of Advisor Judith Stinton and President Anita Brewster. Favorite among the year's events is the annual Sweetheart's Ball, this year held on February 16 at the Drew Ford Rotunda with Margy Reinbold reigning as Queen of this yearly event. A year in Girls' League would not be complete without a slumber party in the gym. This year was no exception; the pajama-clad, sleepless event appeared on the January roster of events and came off without a yawn.

(Center) 1974 Sweethearts' Ball, held at the Drew Ford Rotunda, attracted a large crowd. *(Left)* Karen Board, Doreen Dunham, Karen Gregg and Jan Baliey attended the Girls' League Slumber Party held in the gym.

Nominating Convention Results in Disaster

Mt. Miguel's seventeenth annual nominating convention convened this year on March 15 to nominate Associated Student Body officers for 1974 - '75. The prolonged proceedings, starting at noon, continued on into the night amidst general disorder and disorganization. Only 62 delegates remained in the gym when time came for vice-presidential balloting. The Convention adjorned for lack of quorum. Formalized proceedings commenced with an address by the keynote speaker, Reverend Charles McClain. As the Convention continued, Chairman John Siscon made valiant efforts to expedite progress inside as Miguel's first *streakers* got more attention on the outside. More durable history was made when new A.S.B. officers for next year were later announced during the Fiesta Dance.

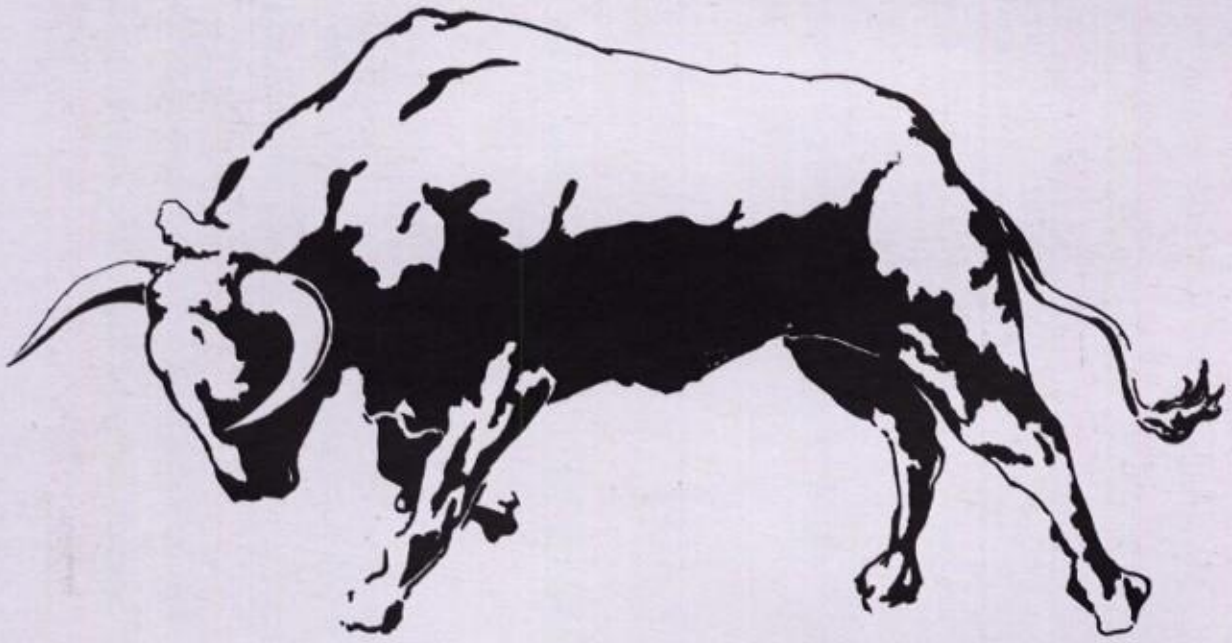
(Top Left) BULL PEN REPRESENTATIVES Jean Reiland, Yolanda Vargas, Jon Lower, Yolanda Marmolejo, and Darlrae Bickley. *(Bottom Left)* Bull Pen Representatives cheer enthusiastically at Junior-Varsity basketball game. Bull Pen developed this year to revive the dying attitude of Pep Club. Bull Pen brought out new spirit so badly needed if Miguel is to keep a winning school.

Bull Pen Replaces Dying Spirits of Pepsters



Bull Pen came into being with Mr. Donald LeCompte organizing a few energetic souls with strong lungs from his classes to begin a cheering section at football games. Mr. LeCompte, Jon Lower, Rodger Price, Bob Millum, and Darlrae Bickley felt apathy at our school must come to an end, and soon. The former Pep Club had died a natural death and new blood and new ideas were badly needed. More students became interested, and the Bull Pen went into action with the ordering of megaphones, plastic shakers, red t-shirts, and Mt. Miguel buttons and stickers. One objective was to make Mt. Miguel's presence forcefully felt, which they did, helping to spur this year's football team to their League championship and C.I.F. berth.

M.M. Charges on to C.I.F. Competition

Mt. Miguel's Varisty Football Team had an outstanding season taking first in the Grossmont League with a 6-0-1 undefeated record. After beating Helix and reclaiming the Claymore, Miguel jumped into a half game lead over Grossmont. Outstanding players for the Matadors this season were running backs Tom Gallagher and Steve Fleming. Gallagher was sixth in county scoring. Chris Palazzolo played linebacker and led the League in punting. Rocky Lancaster moved to offense this year playing split end and defensive back. Henry Koa, who was selected by the San Diego Evening Tribune as one of their Prep Athlete of the Week selections, and Danny Allen were said to be two of the best tackles in the County. With this behind them the Matadors carved a CIF playoff berth.

Jones and Rocky Lancaster were outstanding receivers and defensive backs during the season. Unfortunatly, Rocky broke his leg in the next to last game and was missed during C.I.F. play-offs.

Matadors Lose Out in Quarter-Finals of C.I.F. Playoffs

After entering the C.I.F. playoffs, the Matadors lost a disappointing 28-24 defeat in the quarter-finals against San Marcos. Miguel won the last game of the season against Monte Vista to take the League championship and won their first playoff game against Point Loma dispite injuries to Defensive Back and End Rocky Lancaster and Linebacker Buddy Kornegay. In the loss to San Marcos, the team had more injuries occur, putting Linebackers Chris Palazzolo and Rick Wilber out of action. However, the Matadors didn't give up easily. They put together a last minute drive but were stopped short by the clock. Head Defensive Coach Russ Boehmke will be moving to Valhalla to become head football coach at the district's ninth high school.

Young J.V. Squad Fights Hard Season

J.V. Football ended the season with a record in League of 2-4-1 and an overall of 2-6-1; all but one of the games were lost by only a touchdown or less. Head Coach Morris stated that the poor year was due to having a predominatley sophomore squad playing the more seasoned junior members of other teams. J.V. had several excellent players including top Receiver John Ball, Quarterback Steve Slater, Defensive End Jim Filley, all of whom were upped to Varsity in the last game of the season, and Primary Running Back John Tiumalu who was included in Varsity for one game in mid-season.

With a 3-4 record, the Frosh Squad with Coach Duane Freeman battled their opponents, losing a few games by only a touchdown. Soccer Squad Shows Strength Up to C.I.F. Quarter Finals

The C.I.F. championship appeared to shine brightly in the future for Miguel's soccer team this season. But it proved to be just a glimmer of what might have been, as the squad missed their chance by losing to Poway 1-2 in the quarterfinals of the C.I.F. - playoffs. The team had an exceptional season losing only one league match to Monte Vista, with a score of *0 - 1*. Except for this match, their record remained untarnished until their loss in C.I.F. Before this game, Mt. Miguel's goalies were all stricken with the flu. Coach Lucky Tommy Thompson was then forced to get another goalie, Tom Lubic, who was then on the baseball team. But even with his help, the team failed against Poway. The individual ability of team members was shown when five members of the team, Gus Castrejon, Dan Ulch, Ken Wells, Randy Gale, and Roger Reinecke were picked for the C.I.F. first team. Next's years team should do as well with seven returning lettermen.

MM Hoopsters Take Second in League

It looked as if the Matadors had finally developed a winning style. After starting with a slow start and only possessing a record of 4-4, the hoopsters found themselves in fourth place in the Grossmont League. Then something happened. The team began to look more like winners. Winning all of their remaining six games, they brought themselves up to a three way tie with Helix and Monte Vista for second place. Then it was all up to a group of league officials to decide who would be given second place. Their decision would tell who would be able to play in the C.I.F. playoffs. Mainly because of their strong comeback, Mt. Miguel was picked over the other two schools. But then in their first C.I.F. game, the squad lost to Patrick Henry, 59-62, in a very close game. This season Mt. Miguel's outstanding player was undoubtedly Steve Soloman, who was second in league scoring and was selected for C.I.F. first team.

Injury-Striken J.V. Team Has Slow Start

The J.V. Basketball Team, coached by Mr. Donald Le Compte, had a .500 season this year with a 7-7 League record after losing their first two games, then winning their next three in a row. Injuries really hurt the team a lot, especially the early season injury to Captain Greg Johnson, who helped the team along with Co-Captain Mike Smith. The team did quite well in pre-season play by winning the Coronado Tournament for the third year in a row. Coach Le Compte feels that this year's team was a group of good players and that he is looking forward to a good varsity team next year.

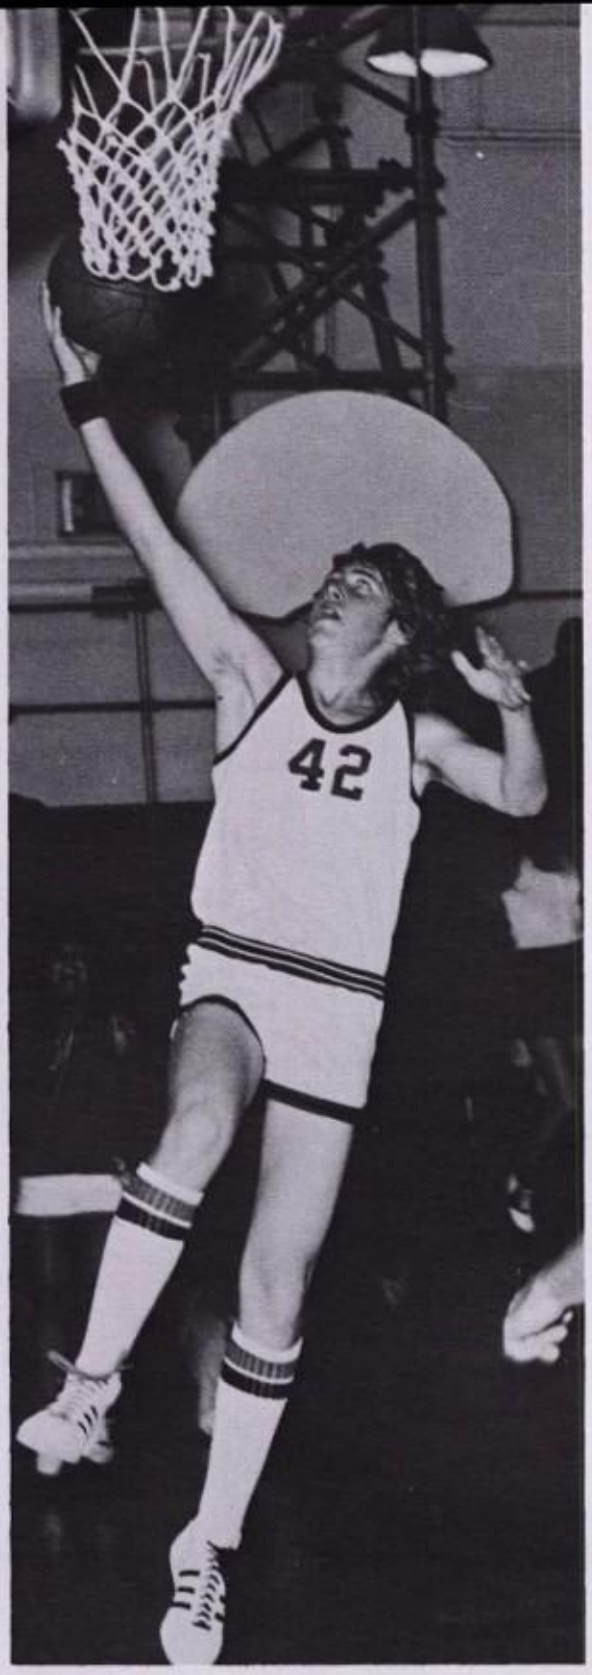
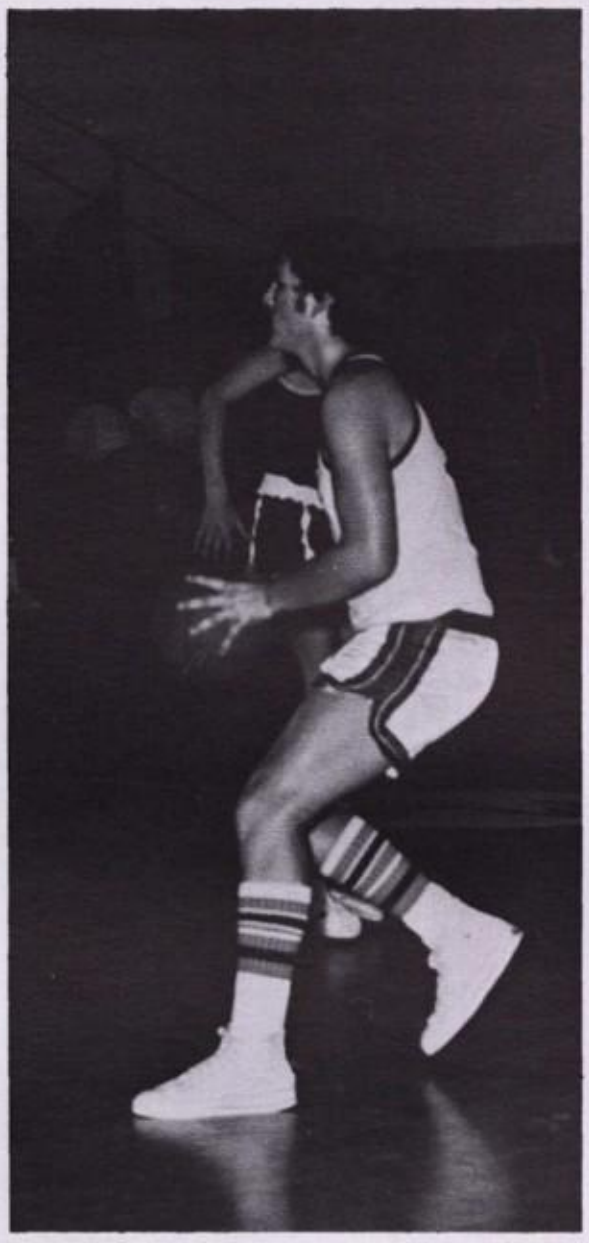
Victorious Frosh Crew Grabs Season's League Championship





Coach John Burwell's Frosh Basketball Team took the League championship this year with a great season. They managed to stay ahead of their opponents even with a loss to El Cajon in the last game of the season. This loss and two previous losses earlier in the year gave the team an 11-3 League record. The team participated in two tournaments this season, the Freshman Tournament, held at Grossmont every year, and the Invitational Tournament, held at Mt. Miguel during Christmas vacation in which they beat Montgomery, Poway, and Bonita Vista. The leading scorers and rebounders who made up the nucleus of the team this season were Guards Jon Young and Mike Spitz, Center Gordon Ayres, and Forward Charles Campbell.

Wrestling Team Places Fourth in State Finals

Varsity wrestling wound up this year's wrestling season with a 5-4 record. The team produced many outstanding wrestlers this year, among them Sophomore Tom Mount, who just came to Miguel this year. Tom was the champion of many tournaments, placed second in league, first in C.I.F., and fourth in State Finals. John Siscon placed second in many tournaments, but never gave up the effort to try and went on to become the champion in the 98 pound catagory at the C.I.F. State Finals in San Francisco. Two individuals who were League Champions were Team Captain Chris Palazzolo and Danny Allen. Chris placed second in S.D.C.I.F.; Danny placed third after cracking his arm. Placing second in league in the 191 weight group was David Morgan, who also won the Outstanding Wrestler Award. Coach Ned Blass says that the effort of these and other boys made this a memorable and exciting season to end his coaching career at Mt. Miguel High School. Coach Blass made this a memorable year for everyone by being selected for the Wrestling Hall of Fame.

Miguel Loses Coach Ned Blass to Valhalla

The third place J.V. Wrestling Team had an average season with a 5-2 win-loss record. This was Coach Ned Blass' last year at Miguel after eleven years and three C.I.F. teams. He will be going over to Valhalla to be athletic director and varsity wrestling coach. Some of the better wrestlers this season were Tom Lambert, Craig Leonetti, Brian Pullan, and Tim Badger. The J.V. team is actually a second string varsity team. If a varsity wrestler can't wrestle, the J.V. wrestler in that weight takes his place.

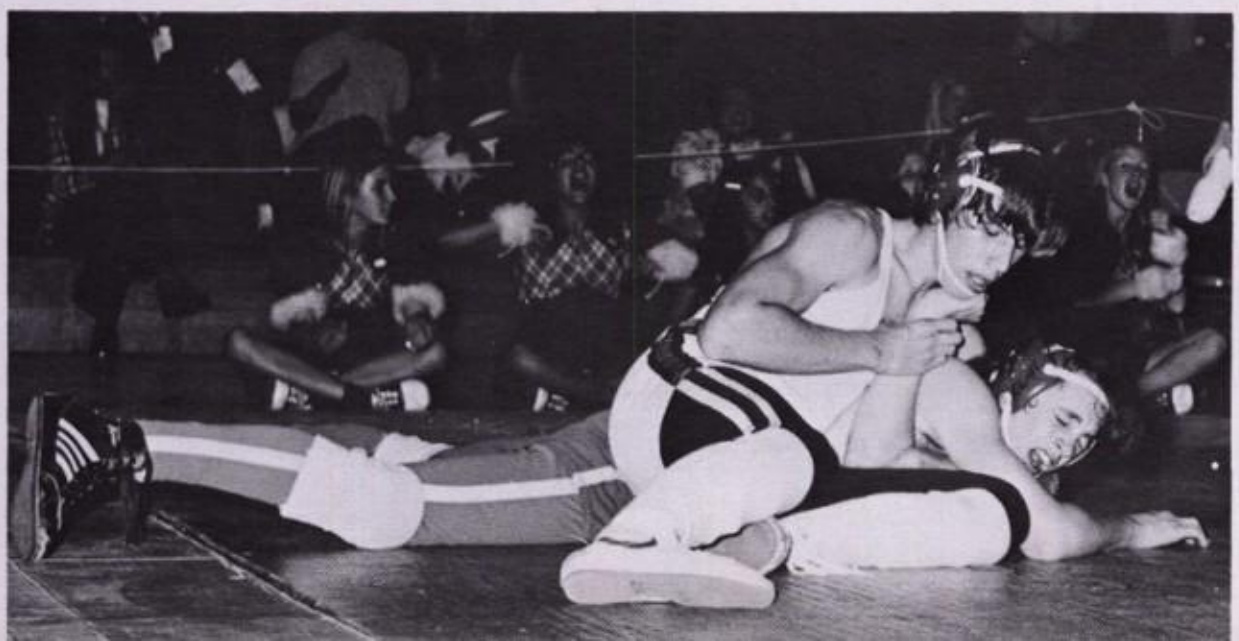
Frosh Matmen Show Success in Tourney

This season's Frosh Wrestling Team didn't perform as well as Coach William Leep thought they should have done for the kind of talent they had. The team's overall record of 4-4 was good enough to capture third place for them in the League. The Frosh Team also did quite well in tournaments by placing third in both the Grossmont and University Tournaments and narrowly missed placing third in the Brawley Tournament by two points. Some of this year's outstanding performers were Mike Smith, Kip Hayes, Eric Liljestrom, Virgil Ratliff, Joe Lauer, and Jim Reeves, who lost only two matches all year long and was pulled up to J.V. for a few matches.



(Center Left) Freshman Peter DuPuy uses a snapback pin combination to try and get his opponent's shoulder turned past 90 degress and hold it there for five second to be awarded three points for a near fall. *(Left)* Joe Lauer, with a cross arm ride on his man from Helix, tries to maneuver him into a better position to try and score points.

Spikers Make Run at League Championship

Varsity Track, coached by Brian Smith and Jim Peabody, is building a team of mostly juniors into what should make them league favorites next year. Field event men who were leading in terms of distances are Weight Men Gary Martin and Henry Koa, Pole Vaulter John Madigan, High Jumper Ken Hansen, and Long Jumpers Berwin Parker and Steve Fleming. The team had the best high hurdle team in the League and was second in the lows, led by Joe Cormier. Scott Gillette was the best middle distance man while Paul Kleine and Mike Cardwell ran the half mile. Mile and two mile runners were Dave Helgeson, Frank Castro, and Bob Sweir.

Junior-Varsity, Frosh Track Demonstrate Power, Speed

After three meets, the J.V. Track Team was in contention for League title with a 2-1 record. Scoring distance runners were Joe Reoux and Mike Balderas; 440, Paul Daniel and Greg Johnson; hurdles, Walter Jolly; pole vault, Pat Olivero; long jump and hurdles, Ken Smith; shotput, Bob Palazzolo; sprinting, Julian Caesar, Jim Perry and Vauhn Mann; discus, Bruce Kowasch. "C" level track, consisting of 25 freshmen and sophomores, developed a high potential in hurdles, middle and long distance running; fair success in pole vault and long jump.

Jrs. Dominate Cross-Country Running Squad

Cross-country is a two-mile race over varied terrains where each individual performance is important for the team as a whole to win. There were no seniors on varsity this year, and though the runners started young, they became increasingly better. Coach Jim Peabody feels that at the end of the season the team could have won meets they had previously lost. They ended the season with a record of 2-5-0 and a rating of sixth in the league. Dave Helgeson was their number one runner and Ken Thompson, number two.

Coach Roger Moreau's Boys' Swim Team had experience and good swimmers backing it up. The guys that went out for the team improved measurably during the season. This year's team consisted of some fine sophomore and junior swimmers who will be back next season to lead the team through their schedule. Outstanding seniors this year were Steve Solomon in the breast stroke, Bob Ehrhorn in the butterfly, and Rodger Price and Mike Fitz in the freestyle. J.V. divers performed well with Cornell Willer, Tom Jennings, and John Stenbeck.

Girls' Swim Team Duplicates Last Season

With a 2-6 record, Miguels Girls' Swim Team in the '73 season performed a carbon copy of the '72 season. Coach Shirley Oates said the poor season was one of building up the team with freshmen and sophomores. However Mrs. Oates added the team should be stronger next year because the freshmen and sophomores will be bringing back experience from this year with them. Outstanding swimmers were selected by the girls for sportsmanship and friendliness. Most Valuable Swimmer was Brenda Bellanger, with Kathy White, Julie Zak, and Shirley Widmer behind her. Julie Zak was selected for Best Sportsmanship with Debbie Sanders and Team Captian Michele Dale tied for the friendliest. The team took sixth place in district finals out of eight schools and 14th out of 21 schools in County finals. Lettering this year were 12 swimmers who had an opportunity to earn extra points toward their letter by swimming in the Pool-A-Thon. Of the 39 girls on the team, 33 of them swam the maximum of the 200 laps in this November spectacle at Gunther Pool. These girls raised $1,700, which was about 25% of the $7,000 raised to construct the pool on Miguel's campus as a community pool.

Miguel Gives up League Title With Poor Season

Varsity Water Polo didn't do as well this season as they may have hoped to. The best League champs of last year could do this season with their 8 and 6 record was fourth place. Coach Roger Moreau thinks that some of the weaknesses in the team were because of the double session situation which made it impossible for freshmen to come out for the team and get the experience that a young player can recieve in his freshman year. However, the team did have some outstanding players this season such as Steve Solomon, who has been said to be the best player in Mount Miguel aquatic history. Steve was named player of the year, besides being named to the All-League first team, first choice, and to the first team in C.I.F. for the second straight year. Other players who deserve a lot of credit this year were Seniors Rodger Price, Mark Price, Paul Kleine, Mark Thomasson, Steve Craig, and Gary Horgan.

Inexperience Hurts JV Water Polo

The J.V. Water Polo Team had a satisfactory year with a 2-12 record. The team's weakness was the inexperience of its sophmore players like Mike Price and Terry Riggs, who played a few varsity games and will return next year.

(Top left) Half time is an important time in the game of Water Polo for listening to the coach and finding out what one has been doing wrong. Players Steve Solomon, Rodger Price, Paul Kleine, and Chuck Cadena listen to the advice of Coach Roger Moreau while John Stenbeck, Terry Riggs, Randy Lee, and Gordon Jones wait anxiously on the side for their turn to get in on the action. *(Center left)* Paul Kleine attempts to steal the ball from a Granite Hills player. *(Top right)* J.V. goalie Richard Lenning attempts to block a shot to prevent a score while Randy Lee comes back to assist him, but all in vain. *(Center right)* Randy Lee lets go a shot that gets by Granite Hills goalie for a score. *(Left)* League leading scorer, Senior Steve Solomon, who has been an outstanding player for Miguel's Water Polo Team, was selected to the first team C.I.F. for the second consecutive year.

Five Returning Lettermen Make Tough Tennis Squad

Perhaps again this year? That's what the members of Mt. Miguels' Varsity Tennis Team were hoping. After finishing up last season tied for first place, this year's team anticipated a repeat performance. They certainly showed the capability with five returning lettermen. The five were Mike Wiggs, John Castellanos, Bob Traxler, Dennis Smith, and Mark Muir. The three remaining places in Varsity were filled with three of last year's top J.V. players. This season's J.V. team worked to copy the 1973 record, which was undefeated. The Junior-Varsity Team had some good performances by such players as Craig Marshall, Bill Norman, and Joe Davis. With these players and many others, there was a good chance of the J.V.ers catching the league championship. The Frosh Team this year hoped to better the 1973 freshmen record, which left Miguel third in the League. The assistant frosh coach was Bill Scott. But however they did, Coach Buck Teater felt that all teams played like winners.

Girls' competition tennis is still young at Mt. Miguel, this last being the second year of its existence. After struggling last year to get enough girls together to form a team, Coach Sally Kraska was rewarded when Miguel finished in fifth place this year after beating El Cajon and Santana. Many players promised to return next year with hopes of playing in C.I.F.

Consistency in Hitting, Fielding Makes Balanced Team

After six non-league games and three league games, the Varsity Baseball Team had a record of seven wins and two losses. The League was tougher this year than it had been in the past because of teams having more over-all balance. Most of the players playing for Miguel have played for the last two or three years. The team started off the season fairly consistently in hitting and fielding and were strong both offensively and defensively. All of these things put together made the Matadors a very balanced team this year.

Slow Starting J.V. Baseball Gains Strength in Hitting

Coach Dave Varvel's J.V. Baseball Squad started off the season a little slower than last year. They were 3-3 in non-league competition, but came back to beat Helix in the first league game by a score of 6-1. Coach Varvel commented that this year's team had a better hitting attack, but was a little weaker on defense than last season and had more over-all balance than any other team of the past. Pitchers this season were Ruben Ray and Pete Stobbs. Players who came through with the bat were Ken Heffernan, Dan Dixon, and Chuck Mumaw.

Confidence Evidenced by Frosh Squad

Frosh Baseball Team, coach by Coach John Burwell, got off to a good start this season by winning two of their first three games. They defeated Francis Parker and Monte Vista, then dropped the game with Helix 8-5. In the first three games the team had accumulated only three errors. Coach Burwell feels this group of freshmen were better in hitting and fielding than are most. The players this season also seemed to have a lot of confidence in themselves and worked well together as a team, which is important in any sport.

Body Control Creates Style for Gymnasts

There's no such thing as a girl on the gymnastics team being in a meet, unless she comes to the three hour practice every day and tries out against her other colleagues. Continuous workouts are necessary as gymnasts improve week by week, and lost time is a setback. This year's team has been better as a whole, but individual performance wasn't as high as it had been in the past. Several girls had returned from last year and were competing either on the same level or one higher, beginning or intermediate. Outstanding gymnastic performers included Laurie Jacobsmier, Diana Braun, Ginny Stroud, and Joann Silvers in intermediate all-round, Shelly Robbins, intermediate beam, with Debbie Herring on intermediate floor exercise.

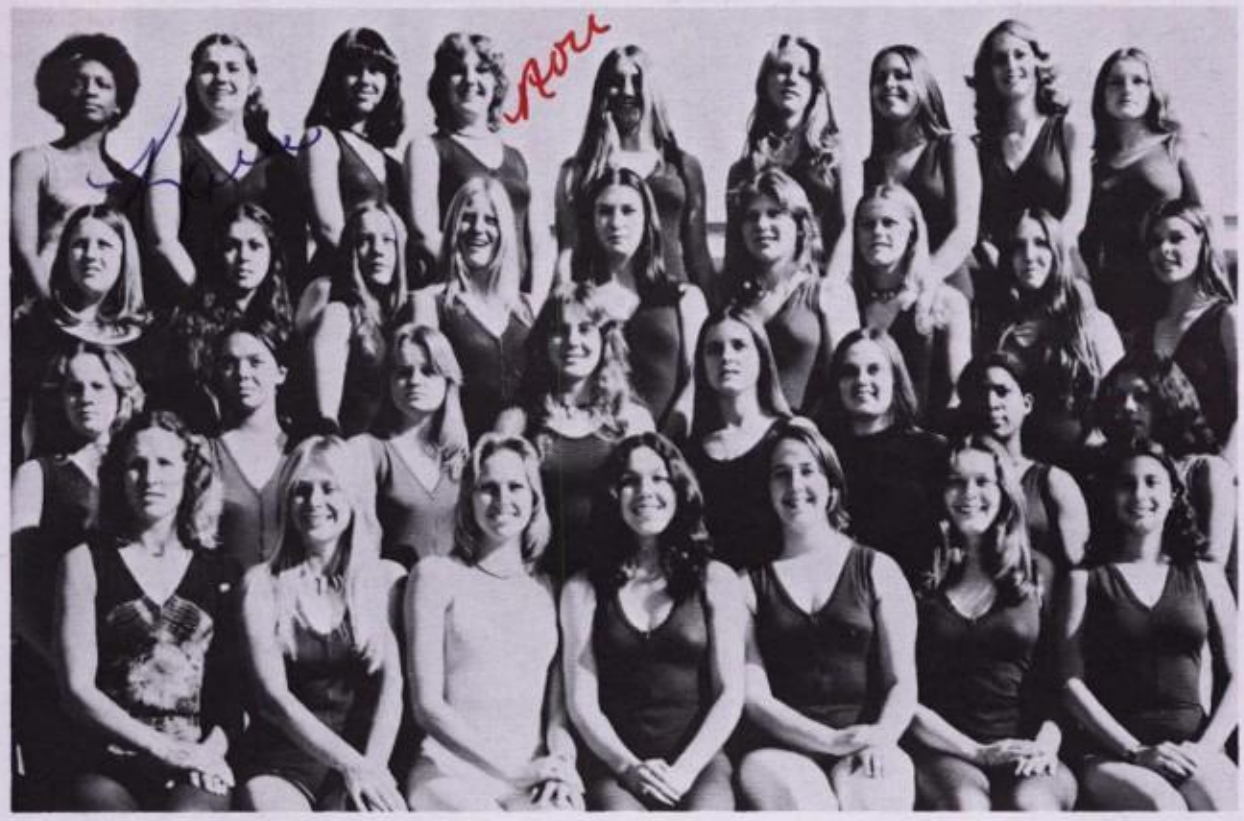
Practicing her routine is Debbie Herring.



Rhythm, Beat Comprises Jazz Dance

Coached by Mrs. Cathy Lamb, the Dance Club is an intermediate class in the P.E. program. Students must try out to be accepted, and the prerequisite is Beginning Dance. With more organization this year, the Club had a full scale production, the Spring Dance Club Concert, where they also made money to buy costumes for next year. Jazz, a Contemporary stage form, and Modern dance, a slower paced form, were utilized in the fifteen dances presented, many of which were organized by the students. Thirty-seven in the cast, four boys included, worked for five months to ready their March production of the only art which utilizes both elements of space and time.

Golfers' Skill Makes Rugged Team

"Golf is one of the most underrated sports on campus," said Coach Dwight Morris of the Golf Team. "The boys put in proportionally more time than in any other sport". In field time, too, the members of Mt. Miguel's Golf Team put in more time on the golf course than football players spent on the field. This year's team did well with very fine golfers, by high school standards, such as Travis Williams and Mark Wade.

Girl Batters Slug Out Good Season

In February when girls tried out for the Girls' Softball Team, Coach Jane Trude had many to choose from. Out of those 75, only 15 were picked for the varsity to play the nine teams in the League. The girls got enough practice with two games and one practice a week to be a top team in the League.

New California legislation and the building of Valhalla High School combined this year, resulting in a serious loss of tax money for the coming year, which creates problems of budget balancing for the District Administration and School Board. Dr. Pyle's second year as principal has been marked by regular meetings of the Department Chairmen's Council to plan scheduling, budgeting, and policies; therefore, Mt. Miguel is faced with a year full of cuts in services, materials, and personnel. That there will be a single session program next year is clear, but at this point there's no certainty of what, if any, changes in administration will become necessary. Single sessions will group the students once more, and perhaps unity and spirit can be restored at Miguel.

Individually tailoring student programs to fit student needs is only one of many functions of the counseling staff each year. Students are interviewed to determine future vocational plans; the OVIS vocational inventory test helps identify preferences so wiser choices can be made. R.O.P. classes, which teach job skills that help with work placement after graduation, aid further vocational choices. When requested, personal, home, or group relationship problems are discussed, and often the pressures of in-class friction can be alleviated. Throughout the year, counselors organized periodical presentations. Such group counseling early in the year acquaint students with services and information available to them.

There are many duties the maintenance staff at school provide. Trimming and keeping the grounds clean is part of those duties which Head Groundsman Bill Krauss, Jack Jenson, and Guy Housley perform.

Classified employees are all those who fall into categories of secretary, program clerk, attendance clerk, custodian, cafeteria personnel, bookkeeper, groundsman and others which perform supporting tasks at Mount Miguel. Plant Manager Homer Shreve was responsible for the accounting of all money expended through the budget, finding information needed for wise purchases, and overseeing outlays for building, such as renovation of rooms, improvement of grounds, and building of additional classrooms. As opposed to certificated staff, classified employees carry no teaching credentials, though, indirectly, each worker supports Mt. Miguel by providing services necessary for good maintenance and accurate smooth functioning.

Art students' energies and talents were channeled into production for a great many contests and exhibits held throughout the year. These included the Senior Art contest, sponsored by the Womens Club Juniors of Lemon Grove; the annual exhibit at the U.S. National Bank, held the first two weeks of May; and the Yearbook contest, with the winner's entry on the cover of *Mil Memorias*. On campus was a combination Fashion show - Art exhibit in cooperation with the Home Economics Dept. New in the crafts section were stained glass windows, copper enameling, and Miss Jeannie Ledbetter, who also taught photography in this her first year at Miguel.

Continuing under vocational funding, the Business Dept. will eventually be completely modernized to simulate actual office surroundings. Students anticipating careers in sales, recordkeeping, bookkeeping, and merchandising are in luck at Mt. Miguel where a full scope of business courses are offered. Stenography, typing, business machines, business lab, and career development are all special features in this special world of Miguel's 200 building.

What is D.E.C.A.? The answer is becoming more evident on campus this year than ever before. D.E.C.A. stands for Distributive Education Clubs of America. Here interested students take part in marketing and responsibilities of managing and working in an enterprising world. One big development of D.E.C.A. this year has been 'Mini Mart." Mini Mart is run by and for the students of Miguel, and offers school activity necessities, art supplies, P.E. supplies, and other items. The store is open during periods 4,5, and 6. Each hour has a different manager who is allowed to hire and fire. The chosen three were Jeanie Riley, Steve Soloman and Yolanda Marmalejo. The store's initial sponsors were Woolworth, Kress Co., May Co., Sears and Roebuck, and J.C. Penney, to name a few.

District wide, the Special Education program includes classrooms on each campus and involves 400-500 students. Originally, it started when teachers and school officials discovered a lot of students who needed or wanted to be in school, but couldn't succeed in available classes. Basically, this department's purpose is to give additional help and support to these students. Special Education classrooms operate on a one-to-one basis in an individual situation with special emphasis on practical reading and math. Staff members include Robert Jensen, William Manderson, Patty Bender, Everett Thorne, Susan Bruce. The program is co-ordinated by Philip Locke.

Bernice Nuno, Steve Solomon, Ella Graves, and Matt Richardson pay close attention. *(Below)* Mrs. Barbara Hamilton's seventh period Reading Lab class is designed to help students with reading difficulties. Frosh Debbie Nicholson and Robin Ellis look through books.

Helping students to be better able to cope with the world through the use and function of the English language is the common goal of every teacher in the English Department of Mt. Miguel. New on the scene this year was Robert Thurston, who came to Mt. Miguel from the S.D. city schools. New also, are minimum competency tests. These were born when a group of 9th and 10th grade English teachers spent five weeks in a summer workshop, revising English curriculum. Minimum competencies are standards that each student must meet before continuing to the next grade. Ninth grade English had an additional new program of six to nine weeks in the Reading Lab.

Very committed to the elective program, the English Department found that many of the electives offered couldn't be taught because the number of students enrolled was so low. Many students have enrolled in the traditional English classes because they had no knowledge of the electives available.
Mrs. Pauline Forman, Chairman of the Dept., hopes for an expanded elective program next year probably based on courses that are offered now, but possibly with a few new ones if student interest can be developed.
With better communication, more students will be aware of the different offerings next year.

Freshman Reading Lab student Wendy Lutz is attempting to improve her reading abilities. Electronic aids including tape players will help to raise her reading comprehension. Students enrolling in the Reading Lab usually emerge with better reading skills.

Yearbook Staffers Combine Efforts to Produce Memories

Publishing a yearbook for a school the size of Mount Miguel turns out to be an $11,000 project when selling books to about fifty percent of the students according to Mr. Lowell H. Plinke, advisor of Miguel's book since 1959. Also, about eight pictures are taken for every one chosen for publication by a team of editors in Publications class. This year's book kept four photographers hopping to fill editorial assignments. Meeting monthly deadlines kept this staff of 23 on campus all hours planning, shooting, phoning, interviewing, and writing. Room 232 has become the permanent staff headquarters with a complete darkroom facility which became fully operative for this 1974 edition of *Mil Memorias*. Balancing the monumental budget through book sales and the selling of advertising space is a full time job for the business staff. The D.E.C.A. organization lent support to this year's drive for advertising under the leadership of Yolanda Marmalejo. Miguel's yearbook continues to earn first place ratings from National Scholastic Press Association and Columbia Scholastic Press Association as it has through the past 14 years.

El Trov Delivers News, Opinion to MM Students

El Trov presented a new face this year by focusing specifically on campus happenings. Its staff edited special editions such as the Christmas edition, a creative edition, and the senior edition. Each year the staff participates in national and local competitions winning special recognition for excellence in student editorial and news pages. The Press Bureau, when not researching news articles for *El Trov,* is busy preparing articles for outside local and County newspapers. Advisor June Mott feels the success of a school paper depends not only on the staff, but on the student body also. Students must give a helping hand in order to keep a good newspaper alive.

El Cuentito Staff Authors Miguel's Literary Magazine

Creative phrases and flowing sentences don't always come easily as was discovered by Mrs. Anne von der Mehden's *El Cuentito* staff. In producing Miguel's 1974 literary magazine, staff members were both writers and critics as they asked for and received manuscripts from all over school. A little help from the Art Dept. produced the cover design and the illustrations, but the sales, promotion, and final layout was the work of staff members. This staff met daily as the Creative Writing class throughout the year. First semester offered training in writing description and poetry. By spring, after perfecting their skill with prose and poetry, staff positions were filled for the production of *El Cuentito* '74.

(Top Left) Members of Mrs. Anne von der Mehden's third period creative Writing class look over previous year of *El Cuentito*. *(Top Right)* Advisor Anne von der Mehden and Editor Hilary Raposa discuss plans for this year's *El Cuentito*. *(Center)* Advisor Anne von der Mehden, Editor Hilary Raposa, Assistant Editor Laura Brown and Sales Manager Maureen Carter plan strategy for selling the magazine.

Quill & Scroll Rewards Student Journalists

Changing with the times have been membership requirements of the honorary association of high school journalists known as Quill and Scroll. Miguel's chapter was chartered in 1957, since the school's beginning, with over 30 members. Mrs. June Mott has been the organization's only advisor. Participation on either the school's newspaper or yearbook staff as a junior or senior is prerequisite for membership. Each advisor may recommend candidates based on staff performance; currently, standards of performance are determined at the local level rather than at international headquarters. Every member receives a membership card and pin, a year's subscription to *Quill & Scroll* magazine, and the right to participate in writing contests sponsored by the organization.

(Center Right) Karen Simpson pins the membership pin of International Organization Quill and Scroll on Debbie Herring. *(Center Left)* Barbara Sele, Karen Simpson, and Debbie Stevens discuss articles written in *Quill and Scroll* magazine. *(Left)* Holding lighted candles, Mary Ann Kitchen, Frank Castro, Lois Banasiak, and Yolanda Marmelejo take the oath of truth, sincerity, objectivity, and perfection in writing.

"The Home Economics Dept. primarily involves skills both for leisure and necessity that are important in the home," according to Mrs. Sue Blass, Dept. Chairman. This includes consumer education skills (of which Bachelor Arts is a part), sewing and decorative arts, caring for children, the preparation of food, use and care of equipment, the wise use of money and a study of marriage and family living. For the first time in several years there was a full time child development class which involved working with children in a nursery school. Food classes obtained new micro-wave ovens, necessitating the use of new cooking techniques. Mrs. Blass's Bachelor Arts class was very popular, and there was quite a waiting list of male students who wanted in it. She attributed this popularity to their evident enjoyment of food.

(Above Right) In second period Senior Homemaking, Mrs. Judith Stinton explains the fine points of stitchery. *(Below)* Mrs. Sue Blass demonstrates to her second period Beginning Foods class what types of cheese and methods can be used to make fondue. Industrial Arts, with Department Chairman Edward Dunn, is the part of the general education program which helps provide an awareness of various kinds of work available in industry and helps students to discover their own aptitudes in a certain field. Subject matter has been extended with the addition of the R.O.P. Plastics program. Regulars include auto shop, metal shop, wood shop, drafting, and electronics. Instructing for his first year at Mt. Miguel was Mr. Augustine Montfort, who replaced Mr. Harold Berg as drafting instructor. Partially completed, it is hoped that the new welding manifold will be in use next year. Equipment for working with gold and silver in the making of jewelry will be another addition to metal shop. Courses in the future will be organized on a semester basis so as to allow more opportunities for scheduling at mid-term.

Steve Mosley, one of the few chosen from Mount Miguel to participate in the Regional Occupational Program in carpentry and construction, measures for a window in a house under construction on the Santana campus.

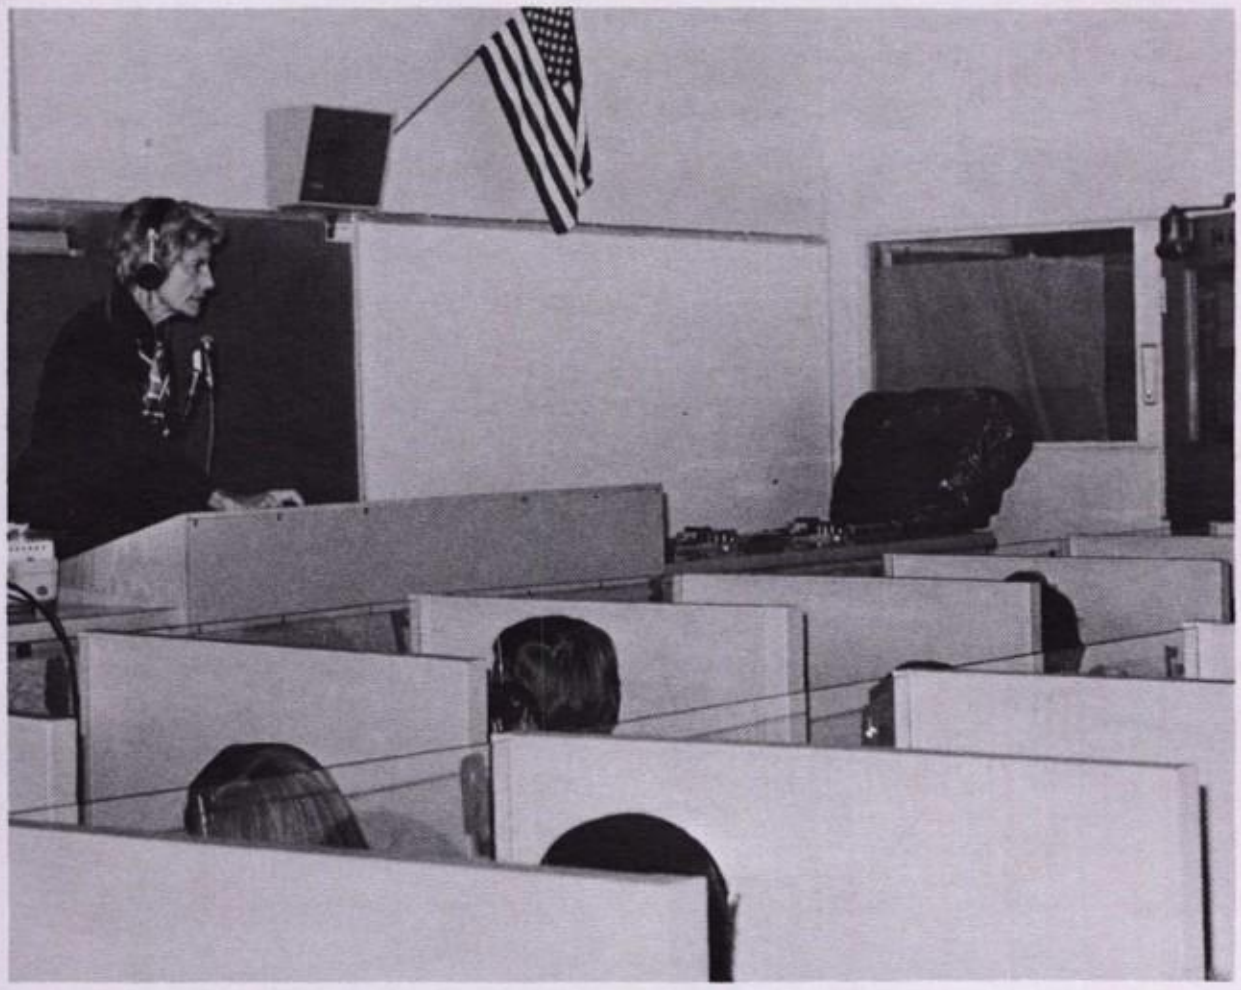
Traditionally, there has been four years in the language program. This year there were students taking fifth year Spanish and German; it is expected that next year a few will be enrolled in fifth year French. There were changes in classroom procedures such as students grouped at tables and some doing individualized study. The latter has changed the atmosphere in the classroom, student attitudes and some teaching methods. Twice a year students from all schools in San Diego County participate in a weekend language camp at Camp Palomar or Cuyamaca where conversation, meals, and programs are conducted in the language being studied.



(Left) In the language laboratory Mrs. Louise Sampson prepares tapes for her fourth period German students. She instructs students to get ready for listening and comprehension drills. R.O.P. Encourages Further Vocational Training

Regional Occupational Program, better known as R.O.P., is designed to offer occupational training to those eligible for work from age sixteen to one hundred. The funding for this program comes from a County-wide slice of federal money. The co-ordinator for Mt. Miguel's R.O.P. is Mr. David Phillips. Miguel has R.O.P. programs in plastics, science lab assistants, and food services which began in February. In addition to R.O.P. are District-wide vocational training courses for selected students in such areas as law enforcement taught at Grossmont, building construction taught at Santana, nursery and landscape taught at El Cajon, and nursing taught at Monte Vista High School.

(Top Left) Michael Ott, Steve Mosley, and Paul Martin work on a house their Building Construction class is building at Santana High School. *(Top Right)* Dave Lopez, Pete Rounds, Tom Rollins, Ray Robinson, Ron Merideth, and Mr. George Dowdy observe Officer Tim MacGillivray using John Madigan to show them how to frisk a suspect. Promoting and encouraging interest in German culture and language is the special interest of the German Club, also known as Die Drachen. Every year, Frau Ulrich comes to assist the club with a night of frenzied folk-dancing. German Club has always had a very successful booth providing exceptional German pastries and food at Mt. Miguel's annual Fiesta. Die Drachen was also active in conducting a drive that, through UNICEF, would buy food for hungry children in the world. Now more of a social group, the club met at least once every two months to discuss various aspects ofGerman culture and sometimes to show slides, or occasionally to eat at a German restaurant. Always interested in exchange students, they have had a number of meetings in conjunction with the International Club.

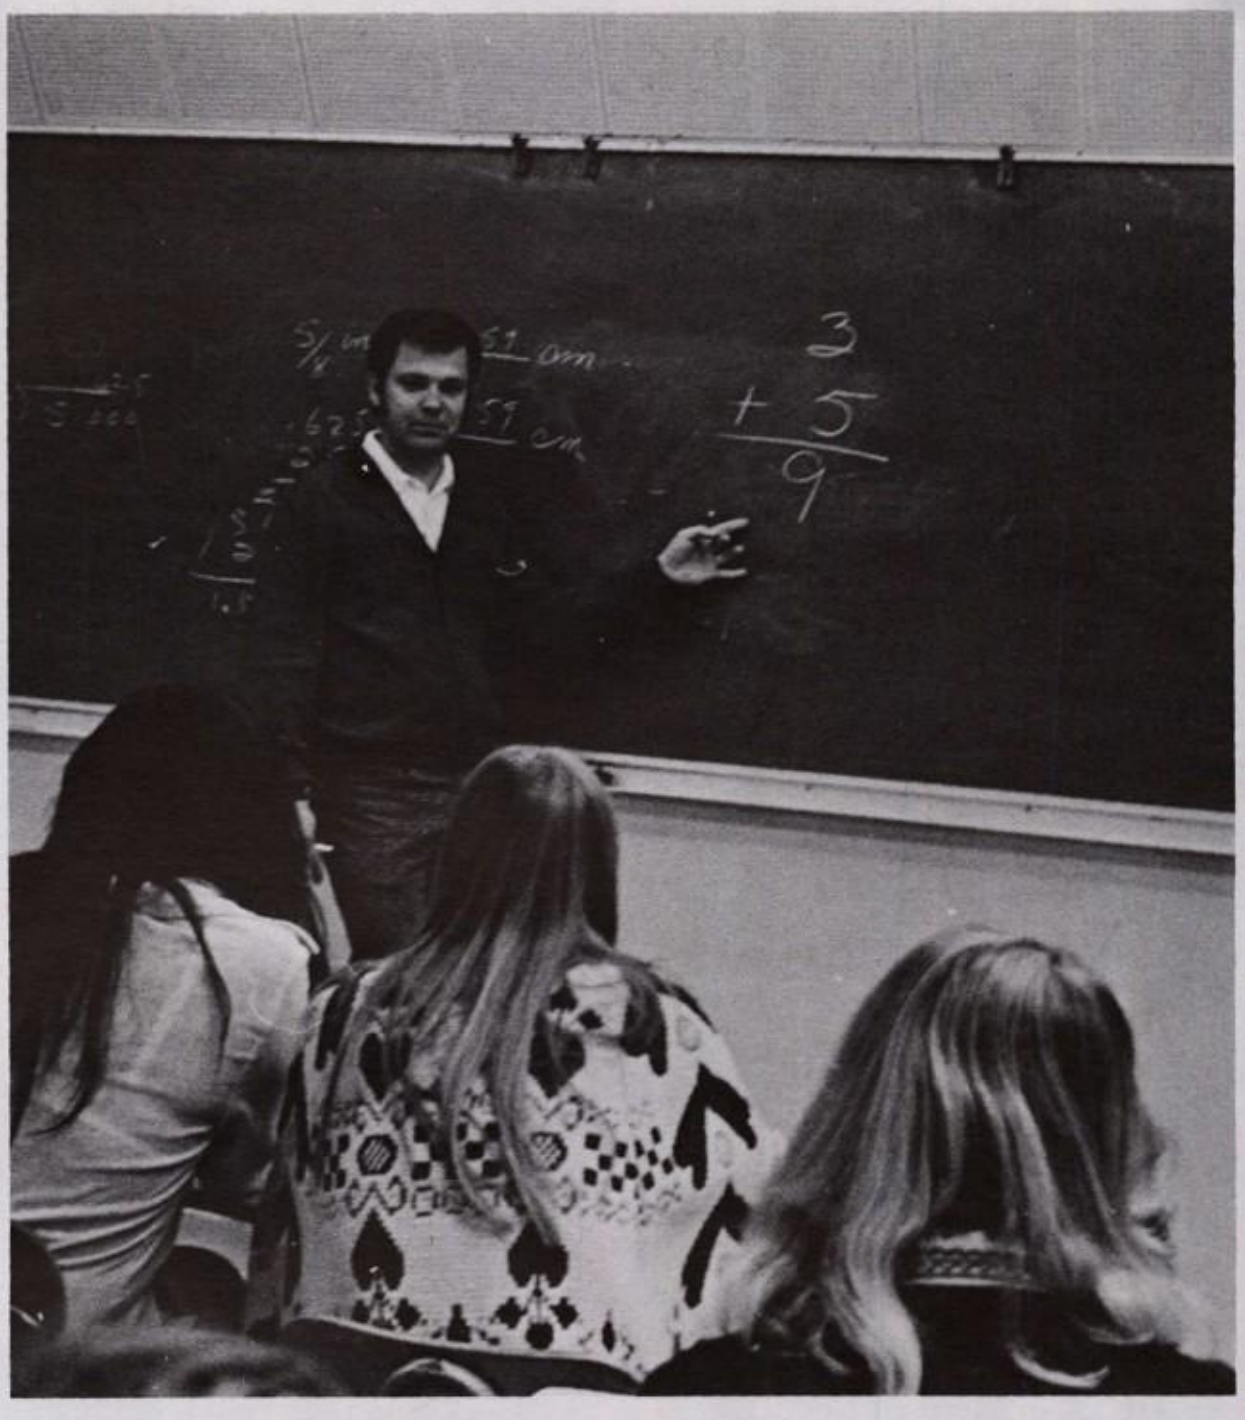
Remodeling in the Math Lab was accomplished recently to accomodate the three new teletypes and a key punch machine. New courses to be offered next year in the Math Dept. will depend on the number of students enrolling, but, hopefully, there will be operating classes in slide rule, data processing, and Algebra III. There have been, in the past, remedial, applied arts, and college preparatory classes on each grade level with Advanced Senior Math being the limit, but some students have completed all these by their junior year, so Algebra III will be introduced to the curriculum as a fourth year elective. Mrs. Cheryl McNally, who has substituted for Mt. Miguel in the past, became a permanent replacement for Mr. Ben Maxon. Plans may be approved this summer for introducing stated objectives or minimum competencies for each course. Meeting these minimum standards would be required to qualify for a passing grade.



Three plus five may not equal nine, but Mr. Robert James' Math IIC classes find the real answers to consumer problems studying a book *Mathematics for Daily Living.*

Choraliers Harmonize in Concert, Festivals

Concert Choir, an advanced performing group of the Choral Music Dept., was actively involved in festivals and concerts throughout the year. Concerts were given at Jr. High Schools and there was a fall choral festival at Grossmont High School. The Choir was an invited guest at UCSD's Christmas concert; they participated in festivals in San Diego County, went on a short tour in Southern Calif. and on a retreat to the mountains at Camp Palomar for rehearsals in preparation for a gigantic District Festival. In April the annual choral concert was a success, and also in the spring this group took part in a Pops Concert. With an eye to publicity, Linda McClaine, the director said slyly, "We're always looking for more guys interested in joining concert choir."

Here members rehearse during second period, when they meet daily to polish their repertoire in order to participate in numerous performances in the school programs, festivals and concerts in the County.

Director Mrs. Linda McClain and Accompanist Mrs. Valerie Mashner rehearse with Concert Choir to prepare for the District Spring Festival. One challenging work to be sung is Haydn's "Te Deum Laudamus."

(Top) This year's Barbershop Quartet consists of—Ralph Nicholes, Bob Steiger, Bob Traxler, Tony Peters who are polishing up for one of their routines. *(Middle)* Girls' Ensemble directed by Mrs. Linda McClain performs Ceremony of Carols at the Christmas Concert held in Mt. Miguel's Gymnasium.

Girls' Ensemble, directed by Linda McClaine, is basically a public relations group for Mt. Miguel's Music Dept. in that they sing for service clubs, churches, and different organizations all over San Diego. They participated in festivals here in San Diego County and in the Los Angeles area, and were kept extremely busy doing programs on Mt. Miguel's campus. Very versatile, the ensemble used all kinds of music and included choreography in their presentations. Providing a light note, (and a few heavy ones), the Barbershop Quartet performed every chance they could. Bob Traxler sang Baritone; Ralph Nichols, bass; Bob Steiger, Tenor; and Tony Peters, lead. Bob Traxler, being a junior, was the youngest of the group.

Girls' Glee, Beg. Guitar Work for Perfection

Mr. Miguel's Girls' Glees, a nonselective singing groups, are divided into an upper division and a ninth grade division. Being performing groups, they were present in all major concerts in which the Choir and Ensemble groups performed. In addition, they gave concerts at convalescent homes, jr. highs, and elementary schools. They participated in the Fall Preview concert and at the Girls' Glee Christmas concert here at Mt. Miguel. Beginning Guitar now consists of three separate groups: beginning, intermediate, and advanced, which is instructed by Teaching Assistant Bill Ayers. This class has come a long way from its original form, Men's Folk Music. Now co-ed, it offers instruction in folk, pop, and beginning rock music.

(Center Left) Girls' Glee, freshmen division, spends time to learn songs for the Christmas Concert. *(Center Right)* Atauloma Simati Strums to the tune of "Cloudy." *(Right)* Members of Beginning Guitar in Mrs. Linda McClain's sixth period class learn new chords to play to old folk songs, pop, and beginning rock music.

Freshman Cadet Band, nicknamed Kiddy Band, is the training ground for advanced instrumental groups on campus. Its members are, during the fall, combined with the Marching Band until marching season ends, when they become a performing group in their own right. Mt. Miguel's Pep Band under the student leadership of Senior Mark Rassmussen played for home basketball games and all away games beginning in early August and continuing throughout the year. Bob Hope's arrival at the S.D. Airport in December was greeted by the Pep Band and then during his show, he plugged Mr. Miguel's Marching Band to help in raising money to send them to the Rose Parade.

Instrumental Music Offers Varied Experiences

Miguel's instrumental music program includes Concert Band, Wind Ensemble, and Adv. Orchestra, led by Mr. Dean Immel and Jazz Ensemble under its second year of leadership by Ted Adams, a teaching assistant at Miguel. Concert Band is an advanced group in the Music Department, though not as advanced as the Wind Ensemble, which consists of only select wind players. Advanced Orchestra includes the top string players on campus and, together with the Wind Ensemble, plays traditional orchestral literature. Jazz Ensemble works with the pop media and, for the first time this year, this group, also known as the Stage Band, has met as a class. During the year this group performed in many jazz festivals.

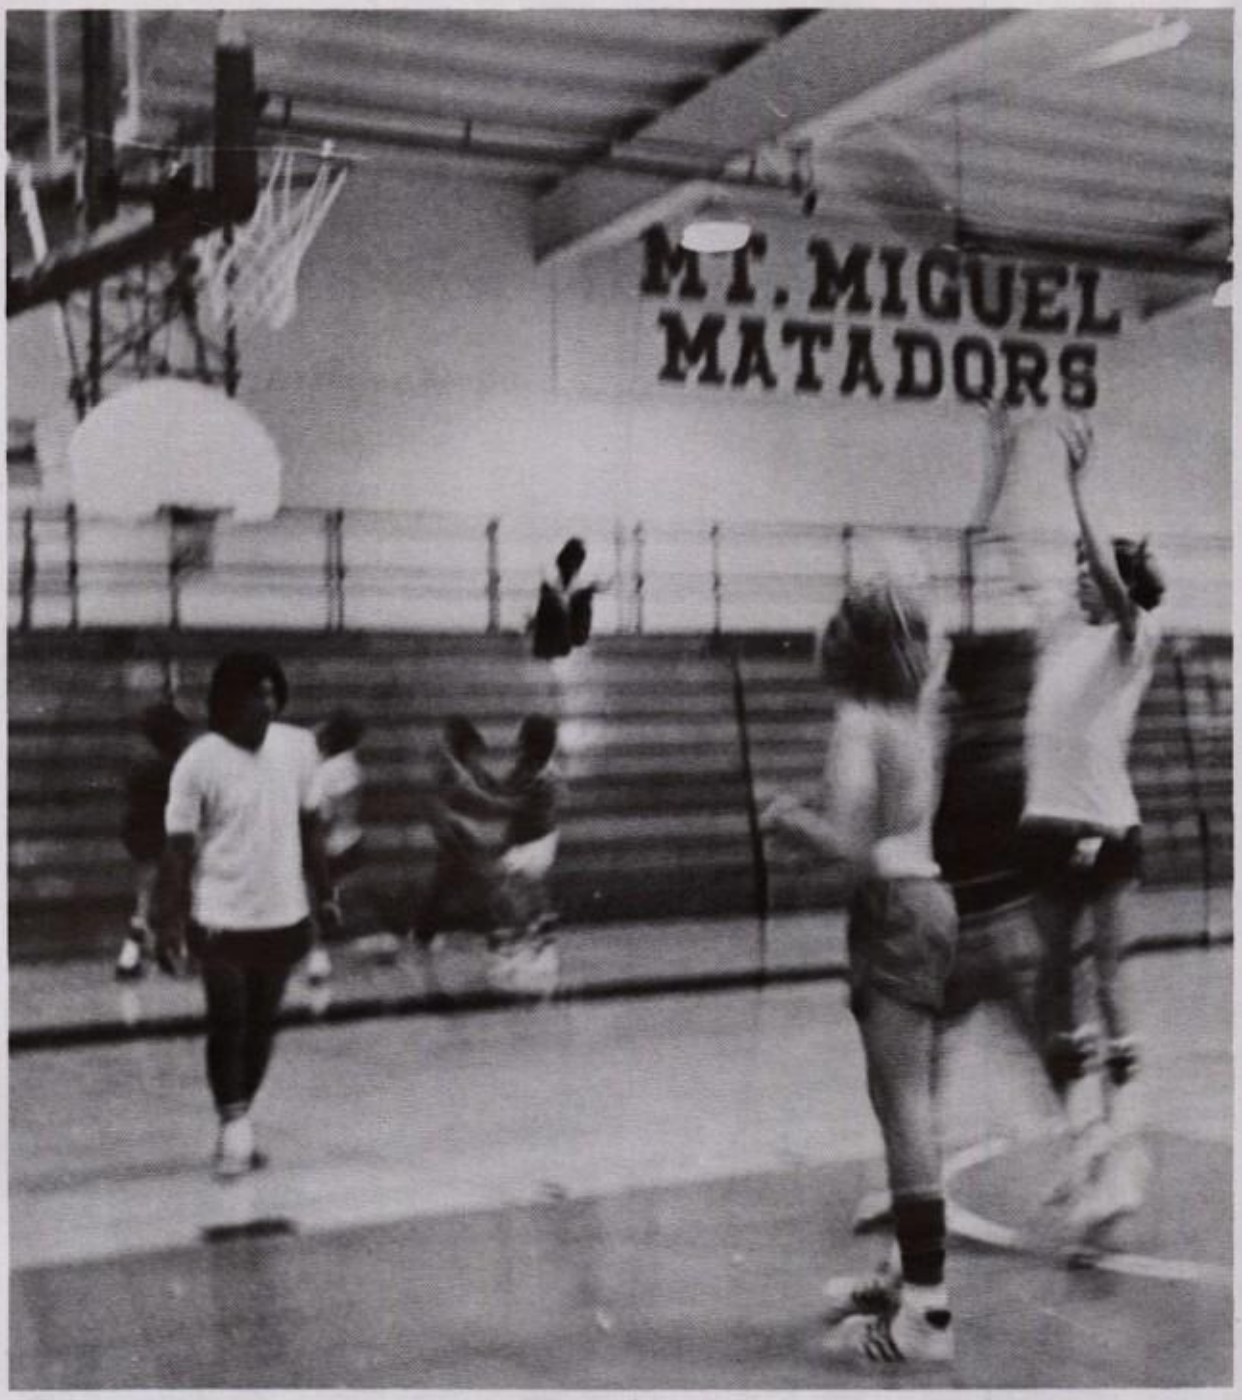
Physical Education Enriches Sports Competition

Consolidated courses and electives are definitely *in* with Physical Education classes on campus. Co-ed Racket Sports and Co-ed Team sports have been high on the list of popular P.E. classes. Growing in popularity have been Recreational Games. Emphasis here is put on "carry-over" sports that will continue to be used in later years. E.S.P. and a generous offering of electives along with semesterization of most classes have given the student the opportunity to select the instructor and the activity of his choosing. Co-ed Team Sports, headed up by Instructors Ned Blass, Russell Boemke, and Duane Freeman, offered training in volleyball, flag football, blooper ball, racket ball, and badminton. Leaving Miguel for Valhalla High at year's end were Coaches Blass and Boemke.



Physical Education students enjoy a fast moving game of indoor basketball. Boys' P.E. compete in football and racket sports.

Shopping for Physical Education classes this year proved to be like walking through a busy cafeteria line. Choices of both teacher and type of sport were numerous. Heading the girls' P.E. staff was Ms. June Belknap, who expressed approval at how successful the co-operative efforts of boys' and girls' P.E. instructors has been in the growing co-ed program. New classes have found their way on the growing list of offerings in the Department. Yoga, Camping, and Spring backpacking now appear on the list. Marching Band and Cape Corps continue to offer physical activity and P.E. credit for a large number. The growing co-ed R.O.T.C. attracts more students each year.

On a rainy day, more than one P.E. class shuffled into the gymnasium to play cage ball with enthusiasm and full of wonder as to what it is all about.

New doors to scientific learning were opened this year at Mt. Miguel in a literal sense. Extensive remodeling of science classrooms over the summer included adding a number of doorways between classrooms to permit greater sharing of departmental facilities. Audio-tutorial instruction through the use of tape recorders, film strips and loops, slides, and related equipment now has become a significant part of teaching methods used in an expanding Science Department. Enrollment figures, however, were low in electives such as Chemistry and Physics were the truly serious science student receives his greatest challenge.

Tommie Clabby examines ink blots for possible hidden meanings while Mr. Bradley Underwood waits for her interpretative comments.

Many new ideas as well as faces appeared in the Social Studies Department this year. The new teachers were Mr. Bruce Davidson, teaching Geography and American History, and Mr. Bud Monfort, teaching Social Living and Industrial Arts. Geography is a mandatory course for ninth graders and is separated into physical and cultural aspects. The sophomore offering is World History; on the Junior level is U.S. History. One semester of American Government is required of all graduating students, along with second semester options of Psychology, Consumer Economics, Anthropology, and under consideration was a Sociology class. Also under consideration was the idea of making Social Living a required class for all incoming freshmen. This class deals with problems of young people, social relationships, and drugs and would be an important addition to the Social Studies Department.

CLASSES

". . . You have introduced us to our friends and to ourselves."

With Asst. Principal Virgil Duea and Counselor William White offering guidance and support, freshman class officers organized to involve their fellow classmates. First was the freshman float for the homecoming parade; then followed the freshman dance. More frosh involvement was evident during Pool-a-Thon promotion in the selling of raffle tickets for the Pinto that was given away. Aiding and supervising this action was Class Advisor Mary Ann Mentas. Groups of freshmen went to several junior high schools to help program eighth grade students for their first year at Miguel. Freshmen Peggy Delaney and Laurie Engle read the afternoon bulletin daily for the Class of '77.

Mr. Jim Peabody, one of three class advisors for the Class of 1976, is convinced that school spirit will be better than ever in the coming years as the sophomores he has worked with advance to upperclassmen positions. President Brenda Saavedra has been working hard to involve more sophomores and has held several workshops in her home. "This year's Sophomore Class was a pretty spirited group that really got it together." Mr. Peabody condensed into that one sentence all the effort put into the Homecoming float, the dance they sponsored, their booth at the spring Fiesta, and, most of all, the spirit they radiated. Advisors Carol Pyle and William Manderson, together with Mr. Peabody, supervised activities that were sponsored by the Class of '76.

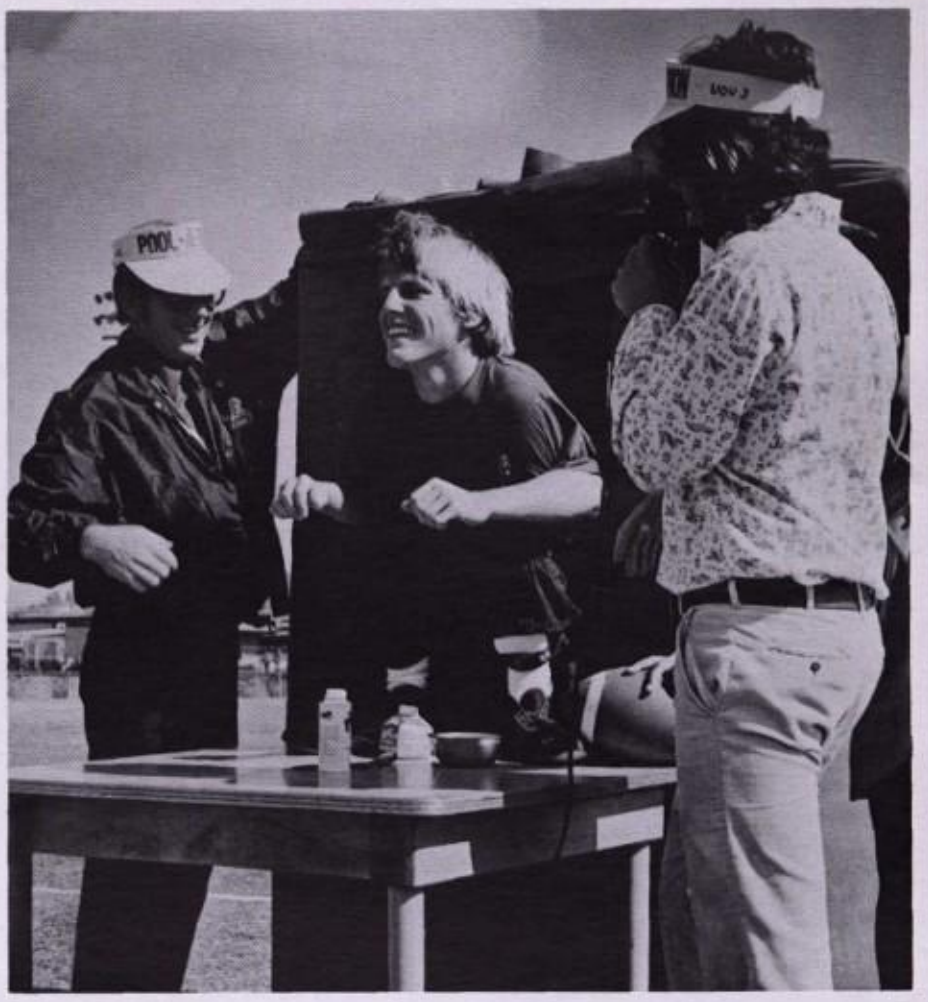
Showing effort of the Sophomore Class is the idea of a "Bee-Boppen Beach Party" depicting teen-age lifestyle of "the fifties," this year's homecoming theme. By putting heads together in a flurry of hard work, the Sophomore float received second place.



Being interviewed at the Homecoming Assembly is former Miguel student Little Irving, alias Sophomore John Stenbeck, the shortest athlete in history. He demonstrated his famous passing technique along with examples of commercials he made during his football career.

Organizing Junior Class meetings and sponsoring activities to raise funds for the up-coming senior year is part of what Junior Class Officers and representatives do. Who were the people involved in these activities throughout the year? Students who make it part of their life style to be involved and active. President Cathy White and Vice-President Karen Steiger are two such people. Among the fund raising activities were a car wash and the Junior Class dance. Juniors also presented their class float featuring a dance marathon at the Homecoming game.

Being members of the same class through four years of high school, life creates common bonds, close friendships, and acquaintances. Many looking back will share similar memories of the same situations with people who may only have been familiar faces seen on campus or in the halls. Double session programming was an experimental situation when students in the Class of 1974 were all freshmen, and it has endured the entire period of their stay; for good or bad, no one can say. It is hoped that in the years of growing toward strength, maturity, and independence, Mt. Miguel has been a beneficial and constructive experience for graduates in the Class of '74.

Memorable Year Was Created by Senior Officers Planning

(Top) Senior Advisors for the Class of 1974 were Mr. Robert James, Mr. William Fusselman, and Mr. Philip Locke. Mr. James and Mr. Fusselman helped to organize the Senior Prom and After-Prom. Mr. Locke helped with the Senior Banquet. *(Bottom Left)* Advisor Fusselman insits that just because Ken Wells is a Mighty Matador Senior Letterman, he doesn't own the world. *(Bottom Right)* Senior Dale Hoffman, who is up there in the world, asks Advisor Locke when adults are going to grow up.

(Top Left) Senior Class President Mary Jones explains to Representative Jon Lower the design of the El Cortex International Room, site of this year's Prom. Mary was offering ideas of how the room could be decorated for June 1, 1974. Vice-President Steve Solomon was unavailable for picture. *(Top Right)* Attending a Senior Prom Committee meeting to select its theme for this year are Senior Class Secretary Monica Chamberlin and Representative Arlene Thompson. Theme chosen was "Moments We Share." *(Center Left)* Christie Sparacino, senior class treasurer of the fall semester, is involved in figuring the profit made through an after-game dance the Class sponsored in December. *(Center)* At the first Prom Committee meeting is second semester Treasurer Becky Keil. She is discussing with members the costs of the After-Prom which was held at Parkway Bowl from 1:30 to 5:30 a.m. *(Above)* During a Prom Committee meeting, President Mary Jones and members Mary Anne Kitchen, Nancy Finley, and Barbara Gibson participate in discussion about a theme for the prom. *(Below)* Seniors Jon Lower and Sheri Clark attend an evening meeting of Senior Class Council.

'50's Revisit Miguel Again at Homecoming

(Far Right) Recreating the fifties style of dancing are Health Teacher Jim Peabody and Senior Cathy Liljestrom. The jitterbug was suddenly brought to life as the couple twirled back and forth across the stage. *(Right)* Mr. James Peabody dazzles students with his rock-around-the-clock dance routine. The slicked back hair, turned up cuffs, bobby socks, and slang expressions really brought the flare of fifties back to the Matadors' Homecoming of '73.

To kiss a pig or not to kiss a pig? The answer was the former for Science Teacher Mr. Engberg who pays a taste-tempting penalty for not collecting enough in Miguel's Pool-A-Thon which netted over $7,000 dollars from active students, parents, and other local residents. Several Miguel students received money from sponsorships according to how many laps they could swim.

Top Ten Percent of Graduates Earn Scholastic Recognition

Top ten percent seniors, chosen after finding the grade point average of each of the graduating class, numbered 56 this year with Valedictorian Rose Marie Brock at the head of her class. Ranked in this manner, all of the top ten percent held at least a 3.43 average over two and a half years, ranging to the 4.0 or A average of Rose Marie Brock. So close and yet so far, the following were mere thousandths away from their goal, the high position of Valedictorian: Salutatorian Steve Wolfe, 3.967; Mark Dzarnoski, 3.931; Steven Koike, 3.925; and Eric Sjogren, 3.923. Top ten percent students are distinguishable from other members of their class by the gold cord worn at the graduation ceremony.

Senior Achievement Prepares Adventures in Leadership

"The sky's the limit!" "Reach for a star!" These sayings reflect the hopes and ambitions of active, ambitious students with specific goals. The Class of 1974 has its share of active students who have records of achievement worthy of recognition. On these pages you will read the names and see the faces of seniors who, through involvement, have made outstanding records of many kinds. The *Standouts* pictured were selected by teachers within various departments on campus for their superior performance in a particular academic area. These, together with the *top ten* (pictured on pages 218,219), head the list of seniors preparing for a life filled with adventure in positions of leadership.

Miguel is . . .

Miguel is a cultural and racial melting pot of students from the La Mesa, Lemon Grove, and Spring Valley areas, together with teachers recruited from all over the nation, each with different ideals, talents, feelings, values, and opinions which will influence all those who inhabit the campus. Each, in his way, will contribute something of value to Mt. Miguel, even if that contribution is only his presence at school each day. Contributing to a well-rounded education are the many departments with numerous offerings to further cultural, scholastic, vocational, and physical development. Assemble 2800 students with a willingness to learn (and a few who without), combined with over 100 qualified instructors with creativity and ingenuity, several dozen more personnel who perform all the duties to keep the school going, modern equipment (such as the two Teletype tape punch machines for the renovated Math Lab and the A.B. Dick Offset printer in the Business Lab, all on over 40 acres of classrooms, land-scaping, and athletic facilities, — these components all combine to create an identity known as Mt. Miguel — a whole equal to all the varied personalities which make up its parts, a proud institution, because "we are the ones who hold our heads high" and work to make this possible. And whatever the end result, Mt. Miguel, "no one will ever be able to erase your influence."

Hi, Debbie, I'm glad I met you this year. Choir was fun!! Well I'm going miss Richard ?!!? (Ha Ha) Well have a great summer. Love Susan '74

Debbie, it was fun being in your class & maybe we'll get in gym class & maybe we'll get in class again next year & more year & maybe we'll get in the same class again next year. see ya next year. Sonya

Debbie,
I enjoyed your face in P.E. this year & your brothers going to be a fantastic trumpet player so you this summer I am sure. Love Karen English

Debbie:
I've only known you for a semester, it's been fun. French was pretty good. Hope you have fun next year in it (ha, ha), because I don't if I'll be there. Well, I'll see you around next year,
Dave.

Dear Debbie:

you are one fantastic person to get to know. It's been a fantastic year and I hope there are many years like this in the years that follow. Good luck in your Senior year. I'll hope to see you in the Honor Role. May God Bless you on the day that comes when every girl gets married. that lucky girl might be you. Best wishes to you always.

Love
your god friend

P.S. Gods loves you:
So do I!!

Debbie,
Hasn't our petite Francais classe been fun! I agree it hasn't. But we made a go of it anyway. After finals I'll feel relieved I've passed. I'm writing crooked so I guess I better close the letter or lettre. So long and have a great summer.

Love, Kathy

Debbie:
Good luck to a quiet shy girl who never seems to be in class.
Ed Markle

Dear Debbie,
Thanks for being my friend and listening to me when I feel like talking to someone. You have been a good friend and I hope we will be as close next year.

Love,
Teresa Johnson

What Is

Dear Debbie,
I never forgave you for dropping algebra. I think you gave me that luck. Oh well. I hope I see you next year because I think we become friends this year. Time sure gone quickly.
See you later,
Sharon Howell

Dear Debbie,
We haven't seen much of each other these 4 yrs., but I still remember the fun times in "d" club. I hope you enjoy them as much as I did. Well enjoy the remainder of your stay in the Kingdom as they say. Good luck to you.
Luv, Beth
